

Great was the astonishment of a resident on Stanley Drive when she looked out her kitchen window Tuesday afternoon and saw a flock of seven sheep coming over a broken down-back fence and proceeding to have a meal of Swiss chard and other garden items. Not wanting to disappoint the neighbours, the sheep got around to parading down the front of the street, stopping at various lawns and boulevards to sample the grass. The RCMP were called to the scene and eventually traced the owner on 156 Street. The problem of a round up remained and the residents were assisted by the watching Mountie who got into the act with the feed pail, but in one case had to carry a stubborn animal to the waiting vehicle. Another caller informed the Gazette of a porcupine on her property the same morning, but this creature was removed before the photographer got to the scene.

Paul Kane Extension will take 1220 students

Major additions to Paul Kane High School were reviewed at the St. Albert Protestant Separate School District No. 6 board meeting held on Monday, September 11th. It was announced that the additions had been approved by the Department of Education and the Board will now refer the matter to architect Jack Gardener.

The additions include six general classrooms, two science experience rooms, one ancillary classroom plus

about six other rooms for instructional and non-instructional purposes and washrooms. A cafeteria and servery will also be added and certain existing facilities such as the library and

District 3 accepts tender for Braeside school

The District No. 3 Public (Catholic) School Board have agreed to accept the tender put forward by Marshall Lee Construction Co., for the construction of the community core school to be built in Braeside. At the

recent board meeting, Mr. Ernie Howrish, chairman, moved that the tender, which is for \$1,158,050, be accepted subject to ministerial approval. A further motion was passed that Mr. Howrish and Mr. Ted Baldwin be empow-

ered to sign the contract after the tender has been approved by the minister. New teachers have been hired and the district now has a total of 122 teachers and a student enrollment of

Continued on page 2.

Resident protests delayed utility bill

Mr. R. McLeod, a resident of St. Albert, appeared before the Committee of the Whole at their meeting on September 16 to discuss the matter of his liability for a utility bill in arrears which was incurred by persons renting his property over two years ago.

In a letter which proceeded Mr. McLeod to the meeting he expressed his concern over his liability for the bill and noted that the former tenant's utility bill was included under the "Brought Forward" amount. He further inquired as to why he had

been unable to get earlier notification in order that he could attempt to collect the amount from the former tenant. "As a taxpayer and resident of St. Albert," Mr. McLeod wrote, "I find it disconcerting to know we have an administration which takes two years to trace a bad account and enforce a bylaw covering its collection."

Discussing the matter with the Committee of the Whole, Mr. McLeod quoted from the bylaw which deals with the matter of utilities, specifically the section dealing with

authorization granted to the secretary-treasurer which enables him to turn off the water supply to the property concerned. "In the event that any utility bill shall remain unpaid after 15 days following the date on which the utility bill was mailed, the secretary-treasurer is hereby authorized to turn off the water supply to the property concerned," Mr. McLeod quoted. He went on to explain that he was being billed for some eight months of utility bills and why the utility was not shut off as well as why he was not in-

formed of the situation at that time.

Mr. McLeod stated that at the time he purchased the property and began renting it out he had inquired as to if it was possible to keep him informed in the event that renters did not maintain payment of their utilities. He stated that he was informed at that time that his request was extremely difficult to handle. Stating that he had first approached the Town on the matter in March of this year, Mr. McLeod noted that if he had been given sufficient time,

the matter could have been resolved by himself or the Town before the present stage had been reached.

Mr. Bowen related that the situation facing the Town was such that staff were so busy tending that they never got around to collect. "It was only a year and a half ago," Mr. Bowen explained, "that we finally added another girl to the water department and said, you are the controller now, it's your job to balance, bill and collect. She finally got around to attempt collection of this.

Council hears grievances from Akinsdale residents

Acting as spokesman of a group of Akinsdale residents Mr. R. Sinha presented a list of six grievances to the Committee of the Whole at the meeting on Monday, Sept. 16. The residents had decided unanimously to bring these "facts" to the attention of Council at a meeting held Sept. 14.

Because they did not have the necessary appointment scheduled on the agenda, a motion was introduced by Coun. Bakker to permit the residents the opportunity to speak to the Committee. This motion was passed 7 to 0.

Mr. Sinha began his remarks by stating that at the three hour meeting held by the residents it had been decided to bring the matter to the attention of the province and the Town Council. He went on to state that it was their intention to not

only seek satisfaction for themselves but to endeavour to insure that future residents did not encounter the same difficulties.

In a document circulated to the Committee by Mr. Sinha, the six grievances were outlined. Item one drew attention to "living conditions in the new developing municipalities in Akinsdale." Roads, sidewalks, telephones, street lights, garbage collection and property value were discussed in this item.

"Things are so bad that last week two RCMP vehicles and one tow truck got stuck in the mud, think what will happen in case of fire or emergency," the letter stated. The information continued, stating "we request the Council to see that proper action is taken immediately to complete roads,

street lights, telephones and arrangement for the garbage pickup."

The second item urged Council to insure, through agreement with the developers that essential services are provided before a new home can be considered ready for occupancy. The services mentioned included roads, street lights, sidewalks, curbs and gutters and telephones. "Telephones," stated the document, "should be put in the same category as water, gas and power."

The third item drew attention to the fact that the tax assessment for the year has been made on the basis that all services mentioned were to be provided. The residents called for a refund of the taxes levied against these services for the year in view of the fact that none of the

Continued on page 2.

Local group holding candidates breakfast

The St. Albert Chapter of the Full Gospel Businessmen's Fellowship International has extended an invitation to all council candidates to join their group at a special "Candidates Breakfast" to be held at the Purple Dine at 8:30 a.m. Saturday, September 21, 1974.

In making the announcement of this special meeting, Club President, Ken McAmmond noted that in addition to the usual program, that time will be available for the candidates and members attending to get acquainted and share an idea or two.

"We feel that more local organizations should make time available at special meetings such as this, so

that candidates seeking public office may be exposed to our residents in social and non-pressure situations where ideas and opinions may be shared," Mr. McAmmond said.

McAmmond concluded. For information please call 459-5378.

Mr. Wasy Mielnik of 32 Sturgeon Road called at the Gazette office on Thursday, just after receiving his Senior Citizens Bus Pass, which represents for him the culmination of a personal project. Mr. Mielnik was very pleased when St. Albert Transit System came into being, and right then he started on getting a petition signed by the senior citizens, requesting passes. He followed the progress of his project with considerable interest and was a happy gentleman when his pass was presented to him by town staff.

Akinsdale residents

Continued from page 1.

services had been provided. It was also mentioned that the developer, Qualico, were present at the residents' meeting and would be communicating with the Town in this regard.

The matter of the failure of the developer to put in the cement pads for parking constituted item four. The bylaw which deals with this matter was cited in the document and the fact that the parking pads had not been provided.

The fifth and sixth items related to Council the wishes of the area that Phase 3 would not be begun until Phases 1 and 2 are satisfactorily completed and that control of the staging of construction be investigated so that one area is not left unfinished while the developer "goes ahead with a new Phase."

Mr. Sinha noted in his comments that the developers seemed to be proceeding with more fervor since the residents had held their discussions on the problems.

Mr. Sinha related to Council that there should be a separation of essential services and auxiliary services and that the essential services should be present when the resident occupies his property. Coun. Bakker pointed out that he was uncertain as to the terms of the three year clause within the purchase agreement signed with the developers, but stated that he did not feel that a three year cushion for these types of services should be tolerated. Coun. de Bruijn stated that if a clause was inserted into the agreement with the developer regarding the provision of the services mentioned prior to occupancy

"please bear in mind that you are doing nothing but increasing the cost of that house. The interest costs will be an ongoing thing and the eventual purchaser will be faced with an additional inflow by the time they buy the house . . . which is worse, the inconvenience of the roads and taking a chance on the weather, or putting an additional five or six hundred dollars on the house. It is a judgement decision that we made and I guess we made the wrong decision because you people don't agree with what we did."

Mr. Sinha reported to Coun. de Bruijn that a resident of the area had attempted to sell his house in the area and was made an offer on the property which amounted to \$2,000 less than what he had paid for it.

Coun. Thronson stated that he was concerned with the safety factor of not having adequate roads in the area and he placed the matter forward for consideration. Coun. Bakker stated that this would be overcome if the regulations of the development agreement were enforced. Mr. Sinha informed the council that as of 6 p.m. Sept. 16, half of Alcott Crescent had been completed though Alpine Rd., had not been completed.

Coun. Hudson commented that it was proper that Council recognize that a mistake had been made in this case, in view of the fact that it was impossible to even pick up

garbage in the area or get a truck in the area. He asked for suggestions from the people present. Mr. Sinha urged that something be done to provide telephone service.

Coun. Lukay made a motion that the development agreement be brought before Council to clarify the difficulties regarding the provision of off street parking pads and other matters. This motion was voted down 1 to 6 (Coun. Lukay voted in favour).

Coun. Bakker moved that the document received from the residents be referred to staff for a detailed answer and to come back to Council for their next meeting. Coun-

cil voted 7 to 0 in favour of this moved.

The other residents were given an opportunity to speak on the matter and they repeated the same points as had already been mentioned and urged Council to take some action. They did not identify themselves in the meeting.

Representatives of Qualico were on hand and they stated that they were placing priority on the Akinsdale area and endeavoring to complete the project. They also assured that roads would be gravelled in the event that completion of paving was not possible this season.

Paul Kane

Continued from page 1.

the Phys Ed floor will be enlarged. The school when complete with additions, will have a capacity for 1,220 students. Capacity of the present building is 780 with a student population of about 75 per cent.

The eight portable classrooms for the proposed Lacombe Park Community Core school will be put out to tender. The possibility of using the portables immediately they are available was discussed again and the board revised its previous decision to locate them all on the Lacombe Park school site. Due to the high enrollment experienced generally within the district, the board will now locate the portables as follows: two at Leo Nickerson school; two at Sir Alexander Mackenzie and the remaining four will be placed

at the Lacombe Park school site. Dr. Cuts and Mr. Bill Webber will serve on the School Names Committee and they will recommend to the board a name for the Lacombe Park Community Core School.

Mr. Elmer Gish, superintendent, recommended that the board authorize the appointment of an additional teacher to the staff of Leo Nickerson School to provide

Braeside school

Continued from page 1.

2,390. The latter represents a 7.8% increase over last year.

The new portable classrooms for subsequent use in the Braeside Community Core School have now been received from Atco. To alleviate the overcrowding which exists within the district, the portables have been temporarily located at various schools. Four have been placed at Vital Grandin,

instruction in the conference room for the surplus grade one pupils. The board approved this recommendation.

Vandalism continues to be a problem for the district. A recent incident involves a break into the district-owned compound and damage to a tractor parked there. The vandals broke off many parts of the tractor and poured sand, stones and dirt into the oil and gas tanks.

three at Albert Lacombe and one at Father Jan school.

The possibility of relocating the District Office to the proposed Civic Centre was reviewed. The board has decided that it will not participate in this project in view of its needs.

In connection with the St. Albert Parish Kindergarten, it was announced that Mr. Jerry Menage is now chairman of the kindergarten.

utility bill

Continued from page 1.

account in the usual manner prescribed by the bylaw. We will admit the stale-date of

the bill, and you will realize that the water bills are always behind as long as all

you do is bill, mind you that pays off."

Mayor Gibbon moved that the amount of the bill be refunded to Mr. McLeod and it was clarified that the bill would be cancelled against the land and not the individual who incurred the account. Mr. Byron mentioned that the rest of the accounts would have to be reviewed to discover how many more were of a similar category, and Mr. Bowen mentioned that there are quite a few.

The motion received a vote of 7 to 0 and a subsequent motion, that a report from staff be prepared to give direction on these matters, which was moved by Coun. de Bruijn also received a 7 to 0 vote. The matter now will be taken to Council for ratification.

Mr. Russ Boweh, Town Clerk offered practical suggestions for streamlining the utility billing and collection procedures.

Rod Thronsdon will run again

Councillor Rod Thronsdon has announced his intention to seek re-election to council for another three years.

Rod was born and raised in Camrose, Alberta. He graduated from the University of Alberta with a B.Ed. and a Diploma in Educational Administration. He and his wife Betty have resided at 42 Swallow Crescent since 1964 and they have two children ages 9 and 11.

Rod has taught school for 21 years. Ten of his 15 years as a principal has been spent in St. Albert. Presently he is principal of Robert Rundle Elementary School. Rod has been actively involved in community affairs, and is past president of the St. Albert Lions Club.

A perfect record of attendance during the last three years is only one indication of his dedication and hard work on council business. During his term as council representative

on the Interim Parks and Recreation Board a "St. Albert Parks and Recreation Master Plan 1974-80" was produced, presented to council and is now being gradually implemented (eg. a recreation director has been hired). As a council representative Rod has served on the Preventive Social Service Board the Safety Council, the town negotiation committee and the Ad Hoc Sturgeon River Parkland acquisition committee and as alternate on the library board, the Sturgeon River Basin Committee and the Emergency Measures Organization. During the past two years Rod has been chairman of the towns' Administration Committee.

There are a number of programs that Rod would like to see implemented in the next three years, and he particularly stressed the area of Recreation. He wants to see the phased implementation of the major recommendations of the Parks and Recreation Master Plan; especially the formation of a new Parks and Recreation Board; building of a new indoor swimming pool and arena; and the establishment of a walkway along the Sturgeon River.

Mr. Thronsdon also favors additional acquisition of lands for parks along the Sturgeon River. He would like to see completion of a Regional Shopping Centre in St. Albert which he feels is necessary. He noted that he had voted in Council in favor of approaching Mr. Shapiro to see if arrangements could be worked out for a proper centre there. He feels the site could meet the need for a terminal line for rapid transit from Edmonton, and is likely the better location for this purpose. Mr. Thronsdon thinks the centre as

ROD THRONSDON

proposed by National Land Consultants is too small, and the site too close to the proposed ring road.

Implementation of a plan for downtown re-development is another program he wants completed, and his final priority was an improved transportation to Edmonton and commencement of the Ring Road system.

If there is a group of incumbents running for re-election, Mr. Thronsdon said he is not one of them, "I'm definitely an independent candidate," he concluded.

Interested people wishing to assist in the campaign may telephone Rod at 459-6301.

Bob Hudson goes after 3rd term

Mr. Bob Hudson, first elected to St. Albert Town Council in 1970 will seek office in October for his third term. Bob and his wife Pat have made their home in St. Albert for 13 years and have two children. Mr. Hudson is in Special Projects Marketing with Canada Cement Lafarge Ltd.

He is a member of the St. Albert Police Commission, the Library Board and serves on the executive of the St. Albert Curling Club.

The biggest single issue in the forthcoming election has got to be the growth question, said Mr. Hudson, and it is unreasonable for anyone to think we can stop it. Therefore, he continued, the question boils down to a rate of growth, and any council had better consult closely with staff before any arbitrary decisions on a rate are made. In his opinion the past rate of growth has been too severe - and again, the method of slowing it down and getting a rate had better be well thought out, he emphasized.

A top priority for Bob, if

BOB HUDSON

elected, will be to advertise for application and appoint a Recreation Board immediately, and get a very early start on a new arena and covered pool. It is his hope, he said, that much of the groundwork will be completed prior to the election.

On the question of a major shopping centre Mr. Hudson thinks that the public has additional facilities. He is not too sure, however, that the

site being talked about is the best. The centre must be placed with good access to the public, Bob concluded. People wishing to contact Bob with questions they have on any issue, or to offer assistance with his campaign are invited to telephone him at 459-7581.

STORYHOUR RESUMES AT THE LIBRARY

The St. Albert Public Library will begin a 10 week session of its popular Pre-school Storyhour starting the first week of October. Two weekly sessions are planned and preschoolers are invited to attend EITHER the Wednesday afternoon session weekly from 2 to 3 OR the Thursday morning session weekly from 10 to 11.

This session of storyhours will be held in the Town Hall Annex, adjacent to the St. Albert Public Library. The hour will include games, stories, songs and puppets. No registration is necessary and attendance for the 10 weeks is voluntary from week to week.

Councillor Fyfe seeks re-election

MYRNA FYFE

In a news release this week Myrna Fyfe announced her intentions of seeking re-election to St. Albert Town Council in the forthcoming Municipal election:

I gained a seat to Council in January, 1973 in a by-election. Since then, many of my original objectives have been realized and others will be completed in the near future. As an example, the Town Administration has become more effective and better able to meet the needs of this community. Staff positions have been created to upgrade various services under town administration. A newly appointed recreation director will take office in a few weeks. Council will then appoint interested citizens to a recreation advisory board.

A further objective was the establishment of a Planning Department, which has been created, with the express purpose of developing a general plan for St. Albert. The town now has a Social Services Department along with a functioning Social Services Board, (which prefers not to be called the PSS Board). One of the top priorities of this board is to assist St. Albert teenagers in establishing worthwhile leisure time activities.

As a councillor, I am in

favor of establishing more light industry, which will help offset the financial costs

faced by the town, provide employment and contribute greatly to obtaining more recreational facilities. During the past months a much improved public transportation system has been established, which provides a sound base for future expansion to meet the town's transportation demands.

Finally, I am always concerned about improving communication between the Council and residents of St. Albert. I believe new avenues must be found to provide information to our citizens and that we must use the expanding facilities of television to improve communication of pertinent council

information to town residents.

My husband Jack and I have lived in St. Albert for over eight years. We have two daughters, Catherine and Jane. I have been involved in various community activities, such as being one of the founding members and president of the St. Albert Help Society. I have taught pre-school classes in town during the past five years for the St. Albert Arts and Crafts Guild.

I have gained considerable experience as a councillor and if re-elected, I look forward to contributing further during the next three years.

Building Report Shows Changes

In comparison with last year, permits for single family dwellings to date are down 164 according to the Building Inspector's report modelling (none last August) 1 commercial extension (none last August), and 1 commercial (none last August).

The figures to date regarding building permits show some significant changes in comparison to last year: single family dwellings - 461 (625 to August 31 1973), Condominium units - 94 (29 to August 31 last year), Garages - 117 (117 to August 31 in 1973), Carports - 10 (6 to August 31, 1973), single family dwelling extensions - 8 (none shown for last year's report), swimming pools - 3 (6 to August 31, 1973), and 3 commercial (10 to August 31, 1973).

Regarding available lots to date in the Town of St. Albert, the Building Inspector's report states that there are a total of 285 serviced lots. There are 18 serviced in Forest Lawn, 22 in Grandin Park, 22 in Lacombe Park, 146 in Braeside, 76 serviced in Akinsdale, and 0 in Mission Park.

In Lacombe Park, subdivision has been applied for BACM Stage VII (288 lots), and BACM Stage VIII (210). Subdivision has been applied for Carm 11 (77 lots) and Alcan V (41 lots).

to August 31. The figure for this year shows 461 permits for single family dwellings whereas last year there were 625 permits to the same date.

The Building Inspector's

report lists 67 building permits for the month of August. The figure for the same month one year ago was 89. The building permits for August include 27 single

family dwellings (there were 54 last August), 28 garages (28 last August), 3 carports (1 last August), 6 improvements (none shown for last August), 1 commercial re-

to the Editor

Food outlet only needed

The Editor:

On the subject of the shopping complex proposed for St. Albert, it would appear that perhaps the residents of St. Albert on the whole, should be asked whether in fact at this point of time, the additional shopping facilities rate as 'priority'.

I feel strongly that the only addition needed in the shopping areas is another food store. At any time of the day shopping at the Safeway could be called intolerable. On the other hand it is probably questionable whether or not some of the small stores on the main manage to cover their overhead.

As a resident of South West Grandin Park I have been hoping to see property allotted for playgrounds in the area. However, it would appear that the Lions Park is meant to facilitate the whole town no matter what the population.

Of interest to the resi-

dents in this area is a piece of property on Sir Winston Churchill between Gainsborough Avenue and Leveassur which could be buffered to create a nice 'Tot-Lot'. However the word is out that the owner of the property hopes to build - a small shopping centre. Just what we need, three shopping areas within Grandin Park. Grandin Mall is three minutes away, Westmount 15. How much are the residents willing to give up for the sake of shopping convenience?

If shopping was going to prove to be such an inconvenience would we not have chosen to live in an area closer to a shopping centre? Most of us moved here to get away from traffic and people congestion, lets not start closing ourselves in. If we are not careful, our very purpose for choosing this area in which to live will be defeated.

All this town is really

lacking in my estimation is another large food outlet, at least one enclosed swimming pool and adequate play area for children. (I could mention the need for a hospital operated ambulance, more schools, school operated kindergartens, etc., but I won't).

Joan Bjornson,
Grandin Park.

Growth a main issue

I am curious to know how other citizens of St. Albert perceive the election issues.

In previous elections, it was largely a matter of getting St. Albert on its feet as a self-governing, viable community. Now the issue at hand appears to be the rate of growth of this community.

I do not know a person outside the town hall who believes St. Albert should mushroom to a population of 100,000. The policies of Mayor Gibbon and a majority of council show a disturbing trend in this direction.

We are beginning to feel the effects of council's decisions in the form of a water shortage, congested traffic and inadequate recreational and educational facilities.

What appears necessary at this stage of St. Albert's growth is a Mayor and council who will set a policy of carefully controlled growth so that planning goals can be achieved.

Hopefully the issues will be spelled out clearly during the election campaign so that we can get town hall and the community together again on matters such as industrial sites and rate of growth.

K. P. Riddell,
Sturgeon Heights.

Who to blame

The Editor:
According to Mayor Gibbon's campaign manager, as reported in The Gazette, Mr. Gibbon is entitled to the credit for all the good things that happened in St. Albert. Now, all we have to find out is who is entitled to the blame for all the stupid things that happened in St. Albert.

L. Brodie,
Ridgewood Terrace.

TENDERS

A Proposed New Elementary Core School in the Lacombe Park Subdivision, St. Albert, Alberta, for the St. Albert Protestant Separate School District No. 6, St. Albert, Alberta.

(30,000 sq. ft.)

Sealed tenders will be received by the undersigned at the District Offices, 60 Sir Winston Churchill Avenue, St. Albert, Alberta, on Thursday, October 3rd, 1974 up to 12:00 noon, for the General Contract, including all sub-trades for a proposed new elementary core school at St. Albert.

Bid Bonds in the amount of five per cent (5%) of the tender amount are required from all bidders, and a Performance Bond in the amount of 50% (fifty per cent) of the total contract will be required from the successful bidder.

Plans and Specifications are available to General, Mechanical, and Electrical Contractors at the offices of WOOD & GARDENER ARCHITECTS LTD., #208, 10830 - 107 Avenue, Edmonton, Alberta, upon receipt of a deposit of \$50.00 which will be refunded when documents are returned in good condition.

Plans and Specifications are available to sub-contractors at the Edmonton Construction Association Office.

Tenders will be submitted in accordance with the latest rules and regulations of the Alberta Bid Depository Ltd., through the Edmonton Branch of the Alberta Bid Depository Ltd., located at the Edmonton Construction Association, 10415 Princess Elizabeth Avenue, Edmonton, Alberta.

The lowest or any tender not necessarily accepted.

Mr. George Hargreaves
Secretary-Treasurer
St. Albert Protestant Separate School
District No. 6
60 Sir Winston Churchill Avenue,
St. Albert, Alberta.

Town of St. Albert PUBLIC NOTICE WASTE DISPOSAL

For the convenience of residents of St. Albert only, a large container will be placed at the old nuisance grounds on Red Drive next to the Lagoon Area where solid wastes may be dumped.

The container is not intended for kitchen or table waste as it will be picked up once a week only but is meant for garden clippings, building debris, discarded furniture and appliances and the like.

Please place refuse in the container. Continuation of the service will depend upon acceptance and its proper use.

EFFECTIVE MONDAY, SEPTEMBER 23, 1974, A WASTE STATION AT FORMER NUISANCE GROUNDS, RED DRIVE.

Administrator,
Town of St. Albert.

Sieben to run for District 3

STEVE SIEBEN

Mr. Steve Sieben of 37 Bishop Street will run for office again on the St. Albert Catholic School Board, where he has been a trustee for the past one and one-half

years. He and his wife Katherine have made their home here for 16 years and have a family of six, three of who are still of school age.

He is employed by the Sturgeon School Division as Director of Pupil Services since May of 1964. Prior to that appointment he held administrative and teaching positions with the Sturgeon School Division, the Edmonton Catholic School System and several school authorities in Saskatchewan, where he began his teaching career in 1946.

His professional training was obtained at the University of Saskatchewan, the University of Alberta and Colorado State University.

Mr. Sieben has been involved in community work since he came to St. Albert,

serving on the executive of the Community League, the Knights of Columbus and as a member of the St. Albert Parish Council.

He noted in particular six areas where he feels he may be of help and in which he will seek the support of the District electors: Further reducing the pupil-teacher ratio; and increasing the number of support staff needed to assist teachers with boys and girls who have learning disabilities and social/emotional problems are priorities Mr. Sieben advocates.

He will press for more money in order that the numbers of high calibre staff, professional, clerical and maintenance people now working for the school board can be increased as the need arises.

He will also press for more money in order that the district can compete with industry and commerce and other school jurisdictions for well qualified personnel needed to operate an educational system.

It is also necessary to see that school facilities are adequate, said Mr. Sieben. The Braeside school just going to tender is needed now. I hope to assist on the Board so that this situation will not occur again.

ELSIE LOCKERT

Elsie Lockert, a resident of St. Albert for eight years with no previous political experience has decided to run for office on the Catholic School Board. Because I have not had particular training or experience for this position, I thought about it very seriously before making up my mind, said Elsie, who is a graduate in psychiatric nursing, (B.C. Provincial Mental Hospital, 1959).

However I believe people should come forward and offer their services in public life, and I am interested in school affairs.

Mrs. Lockert sees the role of a trustee as two-fold. To represent the ratepayers of

Elsie Lockert will be trustee candidate

the district, and to make policies which are in the best interests of people within the district. Obviously, she said, the number one priority is to achieve the highest standard of education possible with the means at a Board's disposal.

The above is an ideal which has been expressed thousands of times, she said, but nonetheless, responsible trustee must pursue it. How can these ideals be pursued? A growing area such as ours needs planning -- planning in professional staff, adequate school buildings, acceptable learning situations, and emphasis on special areas such as learning disabilities and pupil personnel services. Adequate planning allows a school board to control events rather than just to react to them.

Within the means of our budget there must be acceptable pupil-teacher ratios, our libraries must truly be learning centres, our specially trained personnel must be used effectively,

and our religious program must reflect the community's wishes.

As a candidate for trustee I realize that local school boards are not totally independent. The provincial government to a great extent controls curriculum, and funds for building and operational expenses. But I also know that local school boards have enough independence so that effective leadership can be exercised, in fact recent legislation bears this out.

Rapid population growth in St. Albert has created new pressures on the school board and I feel I have the necessary time and energy needed to be a trustee. If elected I will welcome all suggestions and will work unceasingly to achieve the highest standard possible in our school district.

Mrs. Lockert is married with two children of school age, a boy and a girl.

Cystic Fibrosis picture brightens

Mrs. Barbara Wheatley, R.N., B.Sc. as Co-ordinator of the Cystic Fibrosis program at the University of Alberta Hospital has been in touch with some of the kids who have the disease and are doing well and don't mind talking about it.

In the Sturgeon Health Unit area Mrs. Wheatley reports there are seven patients ranging in age from 2 - 16 years. The CF clinic at the University Hospital sees about 66 people with the disease from Red Deer north. She notes that with earlier diagnosis and improved methods of treatment, CF children have a better chance than they did 5 - 10 years ago. The Kinsmen support research on Cystic Fibrosis as a provincial project.

Bernie Poulin seeks office on District 3 board

J. B. (BERNIE) POULIN

J. B. (Bernie) Poulin, a teacher in the St. Albert

Separate School system, has announced his intention to seek a position on the board of School District #3. A French instructor at the elementary and junior high school levels, Bernie has taught in St. Albert for the past seven years. Bernie and his wife Kathy, also a teacher in St. Albert, have lived in Forest Lawn for the past two years. They have two boys enrolled in the public school system.

Al Gagnon not running

Mr. Al Gagnon, trustee for District No. 3 Public School Board, has announced that he does not intend to seek re-election to the board in the forthcoming school board elections.

Al has been on the board of trustees for the past three years and he served in the capacity of vice-chairman for part of that time. He is grateful that he has had the opportunity to serve the district and has enjoyed the past three years.

Al, a senior instructor at N.A.T., his wife Joanne and their nine children have lived in St. Albert for 12 years.

Bernie has served as vice-president, president and past president of the St. Albert ATA Local #66. He is a member of the Economics Policy Committee, having served as the chairman for one year and as a member for an additional two years. With this background Bernie has become extremely interested in Educational Finance. Having been active in extra curricular activities at both the elementary and junior high levels he is interested in Outdoor Education and expanded use of school facilities for community use. Bernie offers a sincere professional and personal interest in both the present and future school facilities in the district.

Drop In and Say Hello!

Many of you deal with the Royal Bank manager in your town and have come to know him as your friend and a friend of the community.

The staff at the Royal Bank, the helpful bank are also a friendly and helpful part of your community. They will always enjoy the opportunity to meet you or your family to answer any questions you may have.

Drop in and say hello anytime during the day and meet your helpful bank staff.

DICK PLAIN FOR MAYOR COMMITTEE

Keith Easson will seek trustee position

Mr. Keith Easson, an outspoken man on community issues over the 15 years he has lived in St. Albert, announced Tuesday that he intends to run for office on the Protestant School Board.

He came to St. Albert when the population of the town was 1,850, and has made his home here since except for a short stint in Grande Prairie when he was

with the Provincial Government as executive director for the Northern Alberta Development Council. In this capacity Mr. Easson was very much involved with developments in the Northland School Division, during 1963-65.

He left the government in 1968 after five years service and took over as president of two professional

KEITH EASSON

consulting companies in socio-economic development and international marketing. Three years ago he went on his own as a private consultant and he is also presently associated with Equitable Life Insurance Company.

Mr. Easson has been closely associated with Boy Scouts of Canada, serving as group chairman for 2nd division, and also as district president of South Pine District. He is a member of the St. Albert Curling Club and over the years has been involved in many other community activities, as he watched the town grow. Formerly he was active in the Edmonton Chamber of Commerce.

He was educated in Scotland and took further education at the University of Alberta. Mr. Easson is also widely travelled in Canada, Europe and the United States.

He has some very definite ideas on things that could be done to enhance the knowledge of living of students in the senior age groups. I believe strongly that youngsters should be exposed not only to their own environment, but the environment in other parts of Canada and the world. Knowledge can be gained this way as well as through text books, he said.

MacFarlane seeks office on District 6 Board

Murdo MacFarlane of Gresham Boulevard will seek election to the board of St. Albert Separate School District #6. His attendance at school board meetings over the years, and nearly perfect attendance in the last several months has kept Murdo aware of current school board practices and reactions to the many problems of our school system. He has prepared himself for work on the board, using as his motto a quotation from Abraham, Lincoln: "I will study and get ready and then maybe the chance will come."

Murdo holds a bachelor degree in education from the University of Alberta, and is a senior instructor in the construction department at NAIT; he is a member of the Allied Masonry Institute of Alberta; he has served on the board of the Creative School Society, and for the last two years worked with Mrs. Kay Wright and many other parents on the Wednesday night free gym activities at Sir George Simpson School.

Murdo and Di MacFarlane have lived in St. Albert since 1963 and have three school children, two attending Paul Kane, and one at Robert Rundle.

Concern for the good of our schools and what they do for our children is the basic approach parents expect of school board members, and this kind of concern has developed Murdo's interest in serving on the board.

Budgetary matters are no mystery to any family; there is just so much revenue available and priorities must be chosen. With schools and with families, there never is quite enough money to meet all tastes, but in our society there is no need to go short on basics. We must re-examine our choices when basics are inadequately served. School construction is now inadequate, school busing is unfair, and classes are

MURDO MacFARLANE

growing too large.

These items are at crisis levels in St. Albert. The blame and the remedy lies with government allocation of available funds. The board cannot build if government "policy" denies, and bureaucracy frustrates.

The task of the school board is to make clear these matters so that parents will know clearly how they in their turn can act in a democratic society for its improvement and the advantage of our children. Government "policy" can be changed.

Murdo thinks that the current Protestant School Board has not made clear its policies to the schools and to the parents; he feels that he can give incisiveness to the board's deliberations, and help distinguish board policies from provincial requirements where this is needed. Parents must be kept aware of the weight and direction of central influence on our efforts in St. Albert. Awareness, deliberation, and the right action where needed, and when needed, is what we all seek.

Arts & Crafts fair draws large crowd

Hundreds of people attended the Arts and Crafts Guild Fair at Sir George Simpson last Sunday afternoon and many of the classes filled quickly. Registrations can still be accepted for a few courses; forms may be picked up at the Public Library or at the main desk, Town Hall and mailed to The Arts and Crafts Guild, Box 5, St. Albert. There is still room for some pre-schoolers in the Pre-school

Arts and Crafts class, offered one hour, twice a week, and featuring many different crafts for children to make. Pre-schoolers and their moms can still sign up for the "How to Cope" class offered to help mothers develop creativity in their pre-schoolers. Other classes with some room left are Children's Creative Dance, Children's Art, Teen Creative Crafts, Knitting and Crocheting, Loom Weaving

and Creative Stitchery. The Loom Weaving is offered twice a week for five weeks, and babysitting is available!

Anyone who attended the Fair was sure to be impressed with the high quality of the work done by students in last year's stitchery and weaving classes.

Weavers don't forget the meeting on the 25th at 8 p.m. A workshop will be planned where weavers can share ideas, and techniques.

Looms for those who don't own their own, can be rented from the Guild.

Teachers who wish to attend the "Clay in the Classroom" workshop this week-end may get in touch with Lois Folkins at 459-7344 for further details.

The Arts and Crafts Guild thanks all those who contributed to the Fair's success. Special thanks to Walter Hanson, who again this year contributed his time to setting up and taking down and lots of help in between, Renee Laird, recreation director, the Separate School District and Mary-Lynn Robertson, and Don Mills, who also helped set up, and who presented a tremendous puppet show at the Fair.

Air Cadet Squadron could use some help

Considerable interest is again being generated in the activities of 533 Air Cadet Squadron in St. Albert for this new training year. The quality of performance remains consistently high as indicated by the recent announcement that this squadron achieved a second place rating for 39 squadrons in Alberta. The assessment of 93.5 per cent is excellent and was exceeded only by 11 Squadron of Lethbridge who received 94.8 per cent.

One of the major reasons for this consistent high performance is the interest and motivation of the staff and volunteer instructors who consistently and willingly devote a great deal of their time and talent to this rewarding youth activity.

Part of the success of this staff evolves from the

squadron practice of using semester training, which sharply reduces the demands for volunteer time and facilitates through short concentrated periods of teaching in their respective specialties.

A recurring problem is still with us though in the form of attrition of qualified staff because of transfers, family commitments etc. and the squadron constantly must search for fresh talent to prevent deterioration of the excellent status of training.

One key area currently straining the squadron is the need for a drill instructor. This person is needed

to supervise the basic drill for all cadets and also to direct the activities of the precision drill team who have placed in the Provincial finals for the past two years.

Other areas requiring in depth training reserves are communications, photography, first aid leadership and defensive driving.

Those who may have a keen interest in assisting in these or other fields of this highly rewarding cadet movement are encouraged to contact the commanding officer Los Gault 459-7877 or the training officer Floyd Maybee 459-8127 for further details.

GRAY BEVERAGE APPOINTMENT

JACK RUTHERFORD

Peter M. Kains, President of Gray Beverage (Alberta) Limited, is pleased to announce the appointment of Jack A. Rutherford as General Manager.

Mr. Rutherford, a well-known native of Edmonton, spent 15 years in sales and marketing management for several national companies prior to becoming Gray Beverage's Marketing Manager in Edmonton when the company was incorporated in October, 1973.

Gray Beverage (Alberta) Limited, with its plant at 15205 - 112 Avenue in Edmonton, is the franchised bottler of 7-Up, Crush and R.C. Cola products in Northern Alberta. It is a subsidiary of Gray Beverage Company Limited of Vancouver. This firm is one of the largest independent Canadian-owned soft drink bottling operations in Canada.

The appointment is in step with Gray Beverage's comprehensive approach to marketing and customer service, which is an integral part of the company's policy.

Old est resident at Youville Home passes at 108

Granny Helen McAra was greatly loved and respected by all who were privileged to know her. She died at the remarkable age of 108 years. Photo shows her at age 106.

Regimen Mass of Resurrection for Mrs. Helen McAra was celebrated by a friend of 30 years standing, the Reverend Father Mark Murphy, in St. Andrew's Church, Tuesday, September 17 at two o'clock. Father Murphy described the form of the service, (conducted according to the wishes of Mrs. McAra), beforehand, for family and friends of both Catholic and Protestant faith. In a simply spoken homily he said he had something to say which he thought Granny McAra would want him to say. There are more important things in life than having money, and more important things about a home than the kind of a house a family has. We should not be so much concerned, he said, with what we amass in this life, for we should remember that we have still another life to go to. He illustrated the kind of a person Helen McAra was by telling the story from the bible of the visit of Jesus to Mary and Martha. Mrs. McAra, like Mary knew what the important things in life were, he said.

Soloist Joan Dea sang Nearer My God to Thee, Panis Angelicus and the 23rd Psalm, set to the music of Amazing Grace. The eldest grandson from each family was selected to serve as a pallbearer, being Donald, David, Ronald and Kenneth McAra, Jack Fitzsimmons and Ted Smith.

Mrs. Helen McAra was born on January 25, 1865 in Castle Douglas in the southern part of Scotland. At the

age of 20 she came to the United States with two of her brothers, and shortly afterwards accompanied them on a mining expedition in Central America. A few years later she returned to the States and it was at this time that she met Peter McAra, a friend of her brothers and romance blossomed. In 1889 she became his bride. The first four of their 10 children were born in the States before the family returned to Scotland.

It was in 1910 that Mr. McAra came to Alberta and established a homestead in the Mannville district. Mr. McAra was a carpenter by trade and this house was one of the very few on Alberta homesteads which was of frame construction, rather than log and sod. His family joined him in 1911 and four years later Mr. McAra died.

Mrs. McAra and family moved to Edmonton in 1917 where she lived ever since. It was on January 30, 1967, five days after her 101st birthday that Mrs. McAra entered Youville Home. To the very end Mrs. McAra remained alert and cheerful despite a growing deafness and diminishing eyesight. It was only in the last week that she was completely bedridden following a

chest complication due to progressive heart failure. She had a remarkable keen perception of people, said her granddaughter, Alice McCarthy, - no one ever fooled her. Granny was just a fantastic person, and to know her was a wonderful experience. Her departure is a great loss to her family and also for the many friends she made at Youville Home among the residents and staff.

She leaves three sons and three daughters: John and James of Edmonton and Wilma, Victoria, British Columbia, Mrs. N. (Mary) Fitzsimmons and Mrs. C. (Nettie) Smith, Edmonton, and Mrs. H. B. (Lottie) Lovatt, Fort Richey, Florida. Mrs. McAra also leaves 19 grandchildren, 46 great-grandchildren, and 12 great-great grandchildren.

AROUND TOWN

The Lions Community Band is looking for a majorite or baton instructor and Lion John Kaminski would appreciate hearing from people interested at 459-6178 (days).

A war on prices will be held again this year at the St. Albert Community Hall, Perron Street when the Sturgeon General Hospital Auxiliary present their second annual Next-to-New sale. For sale are good quality clothing, toys and household items. There will also be a bake sale and indoor and perennial plants. Everything will be priced low. The sale starts at 10 a.m. on Saturday, September 21.

** ** *

AROUND TOWN

Mr. and Mrs. John Angus from Glasgow, Scotland, arrived in St. Albert on August 20 to visit their daughter and son-in-law, Ann and Ian McCall of 2 Ridgewood Terrace. Mr. and Mrs. Angus have visited St. Albert before and on this occasion they expressed surprise at the growth of the town.

Mr. Angus is a very keen golfer and has been spending a great deal of time at Sturgeon Golf Course. He has played in many tournaments and during the war, while serving in North Africa, he fashioned his own golf clubs from pieces of wood and played in the desert.

The Anguses took some time off from golf to travel to Banff for a short stay with Ann and Ian. They all enjoyed their trip.

Emergent GENERAL MEETING

Alberta's Junior Citizens for 1974 received a tour of the provincial Legislature prior to an Edmonton luncheon in their honour Sept. 13. On hand to greet the youngsters was Telephones and Utilities Minister Roy Farran. Front row, left to right: Mr. Farran; Marie Bayes, Trochu; Sharon Harrison, Hardisty; Wynne Behn, Drayton Valley; Arlene Morter, Lacombe; Kenneth Dechant, Hothelkiss; Carol Hemstock, Fairview; Bradley Lutz, Oms. Back row, left to right: Norman Blake, Innisfail; Jean Miller, St. Albert; Monte Gannon, St. Albert; Cathy Holden, St. Albert; Judy Tate, St. Albert; Myron Kinley, Fairview; Dennis Bearchell, Edmonton.

St. Albert youngsters recognized in Junior Citizen Program

An enterprising group of St. Albert youngsters have been recognized by Lieutenant-Governor Ralph Steinbauer as 1974 Junior Citizen of the Year.

Representatives of the Holiday Community Volun-

teers received their award September 13 during a ceremony in the Macdonald Hotel as part of the Alberta Weekly Newspapers convention. The HCV project is the only one of its kind in Canada excepting Ottawa.

They were nominated through the St. Albert and Sturgeon Gazette.

The 16 high school students who received the award were: Sheila Bordo, Teresa Twork, and Terry Ogonski; they went to Grand Cache for three weeks, (all 16 endeavouring to help on Indian reservations across Canada through the summer vacation). Jean Miller, Cathy Holden, Lori Dowell, Teresa Bruinink, Mike Byl and Neil Wenger went to Sandy Lake for five weeks and Monte Gannon, Judy Tate, Lorraine Bellerose, Robert Gilbertson, Sheralee Ohtonsky, Laurie McGregor and Jeanneanne Kathol went to Cross Lake, Manitoba.

Among the activities held during the summer by the three teams were playground activities for the children (games, songs, etc.), drop-ins for the teen-agers, and folk masses and other religious celebrations for everyone. The teams all had their fun too, showering in ice-cold waterfalls, battling the giant "bull-dogs" (hoose flies), and enduring windstorms and forest fires. Many friends were made in

all three areas, and everyone seemed to know a little Cree when they got back home!

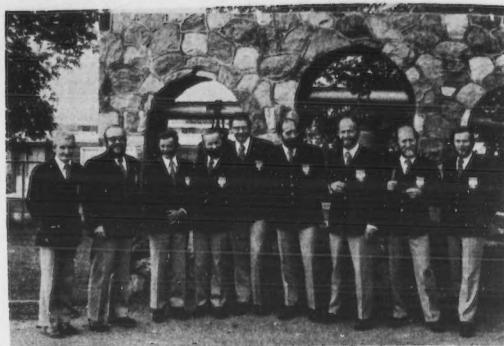

Thanks to the help of the dedicated missionaries on each of the three reserves, and to the background work of the previous years' teams the efforts of H.C.V. have been of benefit to both the volunteers and their new native friends.

Three others were also nominated from St. Albert through the Gazette. They were Warren Kuzio, for example he has given to the handicapped and Bernie Roy and Chris Purschke for saving two women from drowning.

The HCV group was under the direction of Father Ubald Duchesneau and they were in the 15-18 age range. Each Junior Citizen for 1974 received a certificate of recognition plus \$200 in Canada Savings Bonds from Lt.-Gov. Steinhauer.

Ten other Alberta youths outside St. Albert received individual Junior Citizen awards for 1974.

The project is sponsored each year by Alberta Power and Calgary Power Limited.

nine members of the 12 man Alaska 74 Mountaineering Expedition from Poland made a trip out to St. Albert for a quick tour of the museum September 17 before attending to the servicing of their trucks in preparation for the drive back across Canada on their way home. The expedition successfully completed the planned ascents of Mt. McKinley and Mt. Logan. An attempt to scale an unnamed mountain in the Elias chain met with tragedy when an avalanche claimed the lives of the leader of the expedition Henryk Furmanek and another member of the group. A third member had to be flown back to Poland suffering from a frozen foot received in the climb.

Peter Marks appears at St. Albert Inn

Peter Marks who has been performing at the Ridgewood Lounge, St. Albert Inn, is presenting a special Saturday afternoon Matinee on Sunday, following the closing of his two week run Saturday evening. Peter invites all local residents to come down and join the fun, with a special invitation to all musicians. The show goes from two until five o'clock.

Peter has performed with Grand Ole Opry stars such as Johnny Cash, Hank Snow, Eddy Arnold, Sonny James, Warner Mack and a host of others. He also had a group (from 1937 to 1970) called the 'Whippoorwills' and from 1970 until 1973 had a group called 'Peter Marks and the Marksmen'. Peter changed to a single act in 1973 with a repertoire which includes

country and western, modern, sing-a-long and comedy.

Peter has three L.P.'s out and one single 45 called 'I did it' which became Canada's number three song in 1968. It is interesting to note that songs on all three albums and the single were written by the artist. Another single, titled 'Hon' was released earlier this year.

Peter has performed in every State in the U.S., and in many points in Canada. He was born in Victoria, B.C.

Opening Monday night at the Ridgewood Lounge is Teo Keawe, for a three-week engagement. The popular polynesian entertainer has acquired a growing following since settling on a country home in the area.

Newcomers start season with fulfilled program

The first meeting of the new season for the Welcome Wagon Newcomers Club started with a bang on Monday, September 9. The St. Albert Community Hall was filled to capacity with club members and newcomers.

Mrs. Peggy Ainslie, president, and her zany executive had a fulfilled program for the girls. After a delicious meal, Peggy mimed a "bumps and grind" routine which had folks holding

their sides. That gal really missed her calling! The one serious side to the evening was the installation of the officers performed by Mrs. Doreen Gare, Welcome Wagon hostess.

Mayor Ray Gibbon was present for a short time. The members had invited him there to become their first "Playboy of the month." Standing beside the famous picture of Burt Reynolds, Peggy Ainslie asked the mayor how he figured he compared with Burt. "One hundred percent!" was the mayor's reply. He was then presented with a small humorous plaque.

Rolling along to the next part of the program the executive introduced a folk group called The-out-to-lunch-bunch. This group provided the gals with some swinging blue-grass music for the remainder of the evening.

Lukay Challenges Chair

A revised addition of St. Albert's Outline Plan, which has not been circulated publicly because of corrections required in the document, was considered by Town Council on September 9.

Coun. Bakker moved that suggestions or comments on the Outline Plan be put in writing for discussion at the next council meeting. The vote on the motion was 6 to 1. Coun. Lukay voted in opposition stating that he felt further information was needed "so that council has a clear idea of what they are considering." Pressing that he was not clear on the matter, after discussion ended, Coun. Lukay challenged the chair so that he could ask further questions. The motion received a vote of 5 to 2, Mayor Gibbon and Coun. Hudson voted in opposition.

In the light of questions raised by Coun. Lukay, who is a professional engineer, Mr. Gordon suggested that updated copies of the zoning bylaw and the outline plan be circulated for the sake of comparison. This was moved by Coun. Lukay and the motion passed 7 to 0.

Child molester film sparks keen interest

A crowd of approximately 250 people attended the showing of the film "Child Molester - Facts and Figures" in the assembly room of Sir George Simpson school on Wednesday evening, September 11. The 30 minute film projected a rather sympathetic view of child molesters or pedophiles as the narrator of the film described them.

After the film, Constable

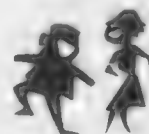

Rick Maynard, RCMP, spoke and he felt that more emphasis could have been placed on the victims of child molestation in this particular film. One fact that was brought out during the film was that married men in the 35 to 59 age group constitute the largest group of offenders. Teen-agers were next and last of all were the older age group of 65 plus.

Some parents at the meet-

ing suggested that films on the dangers of hitch-hiking be shown in the local schools. Many of those present were extremely interested in becoming block parents and Const. Maynard seemed pleased with the good response the film showing and meeting had generated.

Birth Announcement

Bill and Carol Wilcox are thrilled to announce the arrival of their daughter Lisa Michelle Shawna. She was born August 28, 1974.

MR. & MRS. EDWARD ROWLAND

Mrs. Madeline Fraser and Mr. Edward Rowland, both of St. Albert, were joined in holy matrimony on June 28th at the St. Albert Parish Church. The bride looked very elegant in a long white and silver gown, carrying a bouquet of pink roses. She was attended by Mrs. Alice Rowland and Mrs. Elzada Cunningham.

The reception was held at St. Albert Community Hall and among the out of town guests were, Mrs. Gerry Thibert from Grand Cache, Cpl. and Mrs. George Fraser from Ottawa; Mrs. Gina Egger from Victoria and Richard Rowland from Morinville.

Madeline and Edward will be flying to Germany via Amsterdam on September 17. They will stay with Ed's son Roland and his family in Lahr. The couple plan to

tour Germany, Belgium, Holland and France. Both Madeline and Edward have already established families of their own and they can boast that this union has produced 17 children and 37 grandchildren. The Rowlands make their home at 100 Mission Avenue.

Youville Auxiliary launches new season

Another season of activity began for the Youville Auxiliary with their first meeting of the season held on Tuesday evening, September 10. Sister Coulombe, who has taken over the Administration of the Youville Home replacing Sister Michaud, was warmly welcomed by all present as were three new members joining the Auxiliary.

Monthly bingos will resume - and Wednesday afternoon, September 18, will see the patients gathering in the auditorium to try their luck. They've been looking forward to this special day, and although everybody can't be a winner, they never give

up hoping! A beautifully decorated birthday cake, complete with candles, for the patients having a birthday in that month, is passed around for all to admire. It is then cut and served at lunch for everyone to enjoy.

Plans were discussed for the fall tea and bazaar, and hopefully it will be as successful as those of previous years. Ladies were appointed to take charge of the various booths. They've been very busy all year, and you will surely find just what you have been looking for as gifts for Christmas giving.

At this time of the year the members of the Auxiliary became beggars of a sort! Should you have such articles

as knitted goods, aprons, toys, novelties, paperbacks etc., baking or candy to donate, your contributions would be gratefully received.

Raffle tickets are now on sale, the first prize being a beautiful original oil painting and the second prize a \$50 Money Doll. As always, the Auxiliary is counting on the generosity of the residents of St. Albert and surrounding districts to support this raffle. They also extend a cordial invitation to one and all to attend their tea and bazaar. Come, bring a friend or two and enjoy a pleasant afternoon. You will be supporting a worthy cause as all proceeds are put to very good use. The funds enable the Youville Auxiliary to provide the little extras which the patients appreciate so much.

So please circle the date on your calendar - Sunday, October 27 from 2 - 5 p.m.

Weight Watchers Classes in St. Albert

LEGION HALL THURSDAYS AT 7:30 P.M.

WEIGHT WATCHERS

Practicing out in the fresh air near the St. Albert Community Hall, Norm Kyle of Edmonton sets his pipes skirling, ready to "do battle" in St. Albert's first ever piping contest hosted by the St. Albert Royal Canadian Legion.

St. Albert hosts first pipe and drum contest

St. Albert played host Saturday afternoon to a Scottish Pipe and Drum contest with the highest money prizes ever offered in North America to individual contestants.

Pipers came from as far as Toronto to take in the contest.

Coordinator for the band, Rog Stephens of St. Albert, pointing out that this was the first time such a contest had been staged in St. Albert, said that although pipe contests in places like Ottawa offered higher total prize money, the individual prizes in this event were a record.

Mr. Stephens said \$100 was the top prize offered Saturday compared with \$50 as top individual prize in

some of the larger contests. Second and third place grossed \$75 and \$50 for individual winners with a total prize money lay out of \$1,300.

Pipe - major of the St. Albert Legion Pipe and Drum Band, David Sproat, said he was delighted at the turnout considering this was the first year of the contest. "It was a real surprise," he said.

But prize money apart the afternoon must have been a real delight for enthusiasts of the Scottish pipes, with their skirling and lamenting heard all over the downtown area last Saturday afternoon.

One of the pipers Norm Kyle of Edmonton pointed out that one of the more haunting pieces played was called the "Battle of the Birds," and

had been inspired by a cock-fight. The piping to this piece increased in intensity as the battle went on. "The birds are really getting at it now," said Norm.

There were 28 entries in the contest in 16 different classes.

Prize money went to the professionals in the game with mugs and medallions for novices and amateurs as well as the St. Albert aggregate trophy.

Judges for the competition were Patrick McIntyre and Jim Stout both from Edmonton.

Some of the more "seasoned" players taking part in the afternoon's piping were Ed Chilton, the former Alberta champion, of Jasper and Jim Fryer of Edmonton, the official champion.

"Some of these guys have played all over the world," commented Rog Stephens during the afternoon.

Mr. Stephens said Monday that the Ceilidh (dance)

held after the contest was very well attended by about 200 persons.

Following are the names of winners of the contest. PIPING EVENTS:

Senior Novice: Roger Stephens, St. Albert; Jessie Cheshire, Edmonton; Perry Mirich, Edmonton.

Amateur: Kelly Todd, Calgary; Ian Paterson, Calgary; Stuart Clark, Calgary.

Professional: Ed Chilton, Jasper; Jim Fryer, Edmonton; Iain McCrimmon, Edmonton; Ian Whitelaw, Toronto.

St. Albert Meeting Aggregate Cup - Kelly Todd, Calgary.

Trio Selection - McCrimmon, Newton, Kerr.

DRUMMING EVENTS: Amateur Side - Brian Barclay, Edmonton; Barry Mirich, Edmonton.

Professional Side - Alex Brown, Calgary; John Hamilton, Calgary; Bill Van Aggelan, Edmonton.

Professional Tenor - Bill Copeland, Edmonton.

Ernie Jamison will seek 2nd term

I wish to announce through the medium of my newspaper that I will again contest the nomination for the Progressive Conservative candidate in the next Provincial election.

The decision was given careful thought, because the job of MLA in this constituency is very nearly a full time job the year round. It is the only constituency in the province where the MLA represents both an urban and rural population. In my case I have also my business and my family,

which includes a small daughter just starting school, to consider.

A new MLA, regardless of previous experience, has a great deal to learn, as was discovered by all 39 new people, from many walks of life after the 1971 election.

As the months and initial years progressed, I am satisfied I became a more effective representative for St. Albert Constituency. In the next four years I believe I can be of increasing value as your representative - or as one businessman perhaps rightly put it last week - "Your hired servant."

Therefore I would welcome the support at nomination time of every person in this constituency who wants me re-elected.

Date of the nomination will be announced when the executive of the St. Albert P.C. Association, which has the responsibility, makes that decision.

AROUND TOWN

The St. Albert Transit System's University Bus leaves the St. Albert Bus Station at 7:15 a.m. each weekday. It is reported that the bus, which is currently being offered for an experimental period, is receiving a great deal of patronage.

Reception honours Lottie Barnett

Mrs. Lottie Barnett looks up from a card just opened to greet a visitor at the reception held in her honour on the occasion of her 90th birthday, when a reception was held in St. Albert United Church Hall.

About 100 guests, friends of Mrs. Lottie Barnett from St. Albert and Edmonton gathered at the United Church hall on September 3 for an afternoon reception honouring this vivacious lady on her 90th birthday.

Mrs. Barnett is the widow of the late John W. Barnett, first executive secretary of the Alberta Teachers' Association. Representing the ATA as special guests at the reception were the present executive secretary, Mr. Nicholas Hrynuk, Mr. Don J. Corse, Marlan Allison and Marie Elkins.

It was a delightful experience for visitors to talk with Mrs. Barnett who speaks in a forthright manner with astonishing mental alertness for one of her years. "On such a glorious day one really should be outdoors," she remarked, but she was obviously enjoying meeting old friends and having her family and grandchildren

from near and far around her.

Mrs. Barnett enjoys doing the "It Pays to Increase Your Word Power" contest in the Readers Digest each issue, and is quite put out with herself if they manage to stump her, which isn't very often. If you have some classical music on the record player, she will identify the selection for you promptly as well.

Catering was provided by the United Church Women, who also tastefully decorated the tea tables and the serving table, which was set with silver services and centred by a large birthday cake and flowers. Mrs. Barnett was seated during the reception in a lounge chair, a gift of her family.

Later relatives gathered for a dinner in the Garrison Officers Club, Edmonton, where her son-in-law, Dr. Wm. Cuts acted as master of ceremonies.

Also honoured at this function was Mr. L. C. Matthews father-in-law of Mrs. Barnett's daughter Evelyn, who was celebrating his 92nd birthday on the same date.

Congratulatory messages were given by Mr. Ronald Neuss, nephew of Mrs. Barnett from London, England, Mr. and Mrs. Ronald Gance Sr. of Montreal (daughter Irene); Mr. Sydney Matthews of Meaford, Ontario, son of Mr. Matthews, and son-in-law of Mrs. Barnett, and by grandsons: Alan Gance, Summerland, B.C., Ron Gance Jr. of St. Albert and Donald Cuts of Ponoka.

Bill Grant of Edmonton, brother of Don's wife Diane, Mrs. Ethel Cuts of St. Albert and the Rev. Len Musto also expressed their congratulations and good wishes.

Both Mr. Matthews and Mrs. Barnett replied, expressing their joy in receiving so many friends and relatives on this happy occasion.

By Larry Mitchell

Wiltshire's three majors pace St. Albert to bantam football win

St. Albert's Carma Developers bantam football team got back on the right track last Sunday with an easy 43-0 win over Foley Electrical Contractors. The game was played at Kinsmen Park and the weatherman co-operated with beautiful weather. The win put St. Albert into a third place tie with Jenner Pontiac, both with two wins and a loss in three games. Canada Safeway and CHQT Broadcasting share first place with a perfect 3-0 record. Jenners blanked White Truck Sales 38-0, Safeway scored a 48-0 win over Dairy Queen and CHQT took the Ladies Quarterback Club 21-9 in other Edmonton and District Bantam Football action.

Fullback Rod Wiltshire ran wild up the middle for three touchdowns, of 30, 40 and 50 yards to lead St. Albert to a 40-0 lead at half time. Joe Tworek went around end on a quarterback option play for a 15 yard major while lineman Jim Schelbelhofer blocked two Foley punts and ran them back for majors. Peter Tworek converted two of the touchdowns and kicked a 30 yard field goal in the third quarter for the other three points.

Coach Rick Suggitt tried out some new plays in the second half with the game being away out of reach and was very pleased at the whole clubs performance.

The team's coaches (five) get together after the game to select four stars for the Carma Developers ad each week but none of them could come up with just four boys. As a result the whole team was voted to go into the paper as a total team performance.

St. Albert's next league game will be this Sunday, Sept. 22 when they take on the Dairy Queen at 11:30 a.m. at Kinsmen Park. League statistics just released show Brian McCann and Rod Wiltshire tied for fourth spot in the scoring race with 24 points each on four touchdowns, three be-

hind Sansoniak of Jenner Pontiac. Wiltshire holds down third spot in rushing with 277 yards on 17 carries for a 16.3 yard average. No St. Albert players are in the top four in pass receiving but Joe Tworek is in fourth spot in passing.

The recent Alberta Summer Games held in Calgary was well represented by members of the St. Albert Tennis Club and they brought home four medals. From left to right are - Betty Ontkian, Roman Mureika, Clark Warren and Dave Kirk. Betty won a bronze in the Junior Veteran Ladies singles and also teams with Dave Kirk for a bronze in the Junior Veteran team doubles. Clark Warren and Roman Mureika won bronze medals in Men's Open doubles.

New Badminton club formed

At a meeting held Monday evening an executive was formed for a new badminton club in St. Albert. Elected were the following persons: President - Bob Stothart, vice-president - Jeff Hutchison; Secretary - Sally Hudson; Treasurer - Diane Marlesh; Junior Coordinator - Bob Coulter, other executive members: Don Terrault and Dave Merchant. The new club will be called the Sturgeon Valley Badminton Association and will be operating at Vital Grandin School on Tuesday, and Friday evenings from 8 - 10:45 p.m. and Saturday afternoons from 2 - 4:30 p.m.

There has been a good deal of interest in this new club which is geared more to the needs of the "recreational" badminton player. The new club welcomes players of all ability levels who do not particularly aspire to "competitive" badminton, (which is the emphasis of the other club).

Members must supply their own racquets and running shoes but the birds are supplied by the club from membership fees (which are \$7.50 per adult for the season, and \$5 per high school student). The club has set a limit of 45 adults and 15 high school students so persons interested in joining are urged to register (and pay) on the first night of play in order to avoid being left

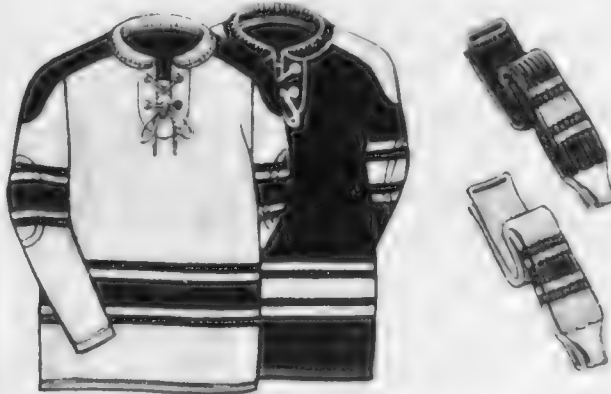

out of a club.

The first night of play will be Tuesday, October 1 and persons wishing to join may phone treasurer Diane Marlesh at 458-1730. The season ends at the end of

April.

For further information on the club phone President Bob Stothart at 458-2440 or Secretary Sally Hudson at 459-4868.

WANTED

HOCKEY SWEATERS & STOCKINGS

The Kinsmen Minor Hockey Association would appreciate all sweaters, socks and equipment issued last year be returned to:

Members of the St. Albert Girl's Curling Club executive for the coming season will be from right to left, Betty Ann Hennessey (treasurer); Linda Bey (secretary); Joanne Bremault (social convenor) and Cindy Oakes, club president. Missing from the photo is Christine Hoosier, vice-president.

Teams needed for men's house league hockey

At an organizational meeting held last week for St. Albert Mens' House League Hockey it was found that two of the teams who have participated in the league for the past three years, will not be members for the 1974-75 season.

With a view to maintaining a six team league, the member teams wish to determine if there are other teams in the community that would be interested in joining the league.

The league is geared to recreational hockey for those over 25, and follows C.A.H.A. rules for the most part. The one major deviation from the C.A.H.A. rules is that no body checking is allowed. For the past three seasons the league has been able to obtain ice at the St. Albert Arena from 10:30 p.m. to 12 midnight, three times a week.

Teams interested in joining the league should have a

St. Albert sponsor, have a majority of team personnel residing in St. Albert and be able to meet the age limitations of the league. Representatives of teams wishing to join the league or obtain more information, all Leon Tellier, 458-2465.

Figure skating meeting will launch program

The St. Albert Figure Skating Club 1974-75 season will commence with a general meeting on Thursday, September 19 at 8 p.m. at the Clubhouse. This meeting is being held prior to registration in order that parents and skaters may learn more about this year's skating programs, fees, timetable, private lessons and skating equipment. There will be time allowed for a question period and the club pros will be on hand to be introduced and to offer advice and assistance.

Registration forms will be given out at this meeting, but no registrations will be accepted until Saturday, September 21st. The Grandin Clubhouse will again be used for registration. Skaters in the Canadian Figure Skating Association, that is Preliminary and up will register between 11 and 12. Group dance registrations will also be taken at this time. Pre-beginner and National Skating Tests will register from 2 - 4 p.m.

This year's skating season will commence October 14 and continue until March 21, 1975. On Saturday, October 5 and 12 there will be free skating sessions at the arena for Figure Skating Club members at the following times - 4 - 5:30 p.m. C.F.S.A. Group; 5:30 - 6:30 National Tests and Pre-beginners.

There will be a skate and dress sale and exchange on October 5 from 2 - 5 p.m. in dressing room 4 at the arena.

The St. Albert Figure Skating Club will host the Sub-Section Figure Skating Competition on Saturday and Sun-

day, November 30 and December 1. Competitions will take place each day from 8 a.m. - 4 p.m. Skaters from 13 Edmonton and area clubs will be eligible to participate and it is expected to be an exciting weekend for figure skating enthusiasts.

The Figure Skating Club Professionals for the coming season will be Marilyn Godfrey, who has been with the club for the past two years; Judy Smith, a new and well qualified instruct-

or, as Senior Professionals working with the C.F.S.A. skaters and Joanne Hunt, Sue Pavelich and Beth Heaton, will be Junior Pros working with the Nationals and Pre-beginners. The pre-beginner program is new this year and is especially for youngsters who wish to "learn-to-skate."

Competition keen in tennis tournament

Members of the St. Albert Tennis Club took advantage of the recent fine weekend weather to hold the annual club tournament.

A total of 28 members took part in eight events and many close matches were played during the two days.

Regular Events

MONDAY - 7:45 p.m., Camp Lacombe Bingo in Parish Hall.

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

MOTHERS DAY OUT - 9:15 to 3:15, United Church. Volunteers call 459-4534. Bookings 459-4745.

Betty Ontkean and Roman Murelka were the major winners as they each won two primary events. Betty and Angela Miller won the ladies doubles with Joan Green and Anne Kirk placing second. In the mixed doubles Betty teamed with Dave Kirk to defeat Cynthia Sage and Roman Murelka 2-6, 7-6, 6-2. Roman won the mens singles in straight sets over Al Hoge 6-2, 6-2 and teamed up with Bob Sage to win the mens doubles over Al Hoge and Bill Keech 6-4, 6-3. The ladies single final between Cynthia Sage and Donna Jackson has still to be played.

In secondary events Donna Jackson and Jay Taylor won out over Anne Kirk and Bob Sage 9-8 in the mixed, Theo Luykenaar defeated Wayne Boyd 9-5 in mens singles and Wayne Boyd and Joe Selan won the mens doubles over Charlie Bond and Lindsay Peterson.

The club junior champions were determined Sunday af-

ternoon as Cassy Kemp defeated Maureen Harris 6-2, 6-0 in the girls final and Bill Keech defeated Steve Kirk 9-2 in the boys final.

This coming Sunday afternoon the club will hold its family tournament beginning at 12 noon. Pre-registration is not required - if you are a club member and wish to participate, be at the Mission Courts by 11:45 a.m. If you do not have a member of the immediate family who is a tennis player and a club member but still wish to take part, the tournament committee will arrange partners. There is no entry fee and everyone is assured of several sets during the afternoon.

A 12 year old St. Albert girl has become a national youth bowling champion. Christine Ahronson, of 54 Grandora Crescent took a gold medal in the 1974 Na-

Young Bowler Wins National Championship

tional Youth Bowling Council's 10th Annual Championships at the Aladdin and Preston Lanes, Ottawa, Ont. The medal was awarded for her victory in the Bantam Girls Singles division where she beat off opposition from seven provinces. The contest was held Sept. 8-11.

Christine began competitive bowling in the Coral Bowl, Edmonton where she soon made her mark, before going on to the Zone 2 finals in the city; this led in turn to first place in the provincial roll-offs last March in Calgary and then to the national championships in Ottawa.

Christine said this week

she was very nervous throughout the contest but obviously her determination got her through.

She told the Gazette she had to play a total of 24 games with eight other girl contestants and then, when all that was over, she still had to beat off final opposition in a one game playoff with Christine Danks of the Denis Bowl, Galtneau, Que. In the final playoff Christine came up with 192 points to earn a gold, the Quebec opposition hitting 184 for the silver medal.

Christine has also a large red banner to show as a memento for her well taken victory.

Club Championship and Flight winners are - Club Champion - Flora Burry; runner-up - Bernice Cook; consolation - Shirley Holman; 1st Flight - Helen Hodgins; runner-up - Marge Davis; consolation - Yvonne Moir; 2nd Flight - Dorothy East; runner-up - Val Anderson.
Enroute to winning the Club Champion, Flora scored Birdie on the third hole (Peter Jackson hole). Congratulations ladies!
Next Tuesday the ladies are having a wind-up two-ball competition, lunch and social. Members will be contacted for further information.
The annual fall meeting election of officers, presentation of prizes and banquet will be held at the Canadian Legion, September 30.

The beautiful fall weather Sunday saw a good many farmers in the area out in the fields swathing or combining. Roger Berube is seen above taking off a good crop of oats in the Calahoo area.

Power skating - an alternative

If you want to help improve the power of your boys and girls skating without putting them through a figure skating course why not encourage them to take up power skating?

Such a program is again being offered in St. Albert this year, and is designed to improve recreational skating.

Many parents may well have had the experience of their child coming up to them and saying, "Mom, I sure hate figure skating." Of course, Mom then begins to wonder how, without figure skating exercises, her little darling boy or girl is going to turn into the wonder skater of the century. Well power skating provides the answer to this problem.

Power skating courses are designed, like figure skating, to increase leg muscle strength, but it should be noted that the big difference between power and figure skating is not so much the exercises utilized, rather in the blades worn by the skater.

In power skating, the hockey blade is used, not the figure skate. The longer

length of the hockey blade makes for more contact with the ice and thus, when the full strength of the leg muscles is used the skater can develop a very smooth powerful stride. The advantages of such a style for hockey are obvious.

Also the power skating course dispenses with much of the complexities of figure skating like figure eights and waltzes.

So the course is ideal for those youngsters of both sexes who decide they are not interested in figure skating.

Power skating is designed then to improve general skating ability and skills for whatever skating activity should follow in the years ahead.

In St. Albert, power skating was under the Figure Skating Club until January 1971 when the numbers of power skaters increased to the point where it was felt they warranted their own club. So the St. Albert Power Skating Club was founded.

Two 10 week sessions of power skating are held in the arena each year - one before Christmas and one after. These classes are available for boys, girls and

teen-agers.

The Club which is affiliated to the Alberta Recreational Skaters Association tests skating skills in six levels, Beginner, Power 1, Power 2, Junior, Intermediate and Senior. But it should be noted that these testing programs are not compulsory.

Registrations for the Power Skating course will be held at the end of September in the Clubhouse near the swimming pool. More information can be obtained through phoning president of the St. Albert Power Skating Club Elsie Lockhart at 455-4720.

Misako Saito, Japan, age 26, University of Alberta 1973-75 - competitive gymnast at the top training centre in Japan - Nital-Dal. Over the summer she took 2000 feet of movie film of Japanese gymnastics. She did over 25 clintes last year.

Gymnastic Club Clinic This Week

The St. Albert Gymnastic Club is planning a clinic on Sunday, Sept. 21, starting at 1 o'clock in the Lorne Atkins School where they will be pleased to host a very talented gymnast Misako Saito. Misako is being sponsored by The Carling O'Keefe Foundation and the public is invited to turn out and watch the gymnast give the club some pointers for the coming years. We've been told that Misako works best when in action and will use some of the clubs better gymnasts to demonstrate the finer points of gymnastics.

We would like to invite anyone interested in gymnastics and what the club is doing, to come out and join us for what we hope is a very interesting afternoon. Our teachers for the coming

season will be present and would be very interested in meeting interested parents and children with whom they will be working this season.

Lesson's for the coming season will begin with the boys classes starting on Monday, Sept. 23 and boys will be registered just before their class. (See advertisement this issue) begining and the club requests that you clip out the registration form in the ad and sent it along with the youngest to the first class that a member of the family will attend (9 and 10 at 6 o'clock, 11 and 12 at 7 o'clock, 13 and 14 at 8 o'clock and 14 and up at 9). The girls registration will take place in the same fashion on Wednesday and Thursday, Sept. 25 and 26.

ST. ALBERT LADY CURLERS ANNUAL GENERAL MEETING

The St. Albert Ladies Curling Club will hold their general meeting Tuesday, September 24 at 8 p.m. in the Curling Rink lounge. All lady curlers are asked to attend.

GIRL'S CURLING GENERAL MEETING

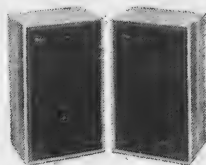

A general meeting for girls curling will be held September 23 at 4 p.m. in the Curling Rink. Minimum age 12 years (or Grade 7).

Hull leads Team Canada

The Golden Jet, Bobby Hull scored the second of two goals late in the third period Tuesday night to give Team Canada '74 a 3-3 tie with the Russian national team in the opening game of a eight-game series.

The game was played in Quebec with a capacity crowd cheering the action from the opening bell to the final buzzer. Both teams missed some excellent scoring chances although you can't take anything away from Gerry Cheevers or Vladislav Tretiak as both played brilliant in goal.

Team Canada scored the only goal of the opening period as Andre Lacroix set up Johnny McKenzie with a pass from behind the Russian net and McKenzie slid it home off Tretiak's pad.

Russia held the edge in the second period as they outscored Team Canada three goals to one. Vladimir Lutchenko tied the game early in the period with a slapshot from the top of the faceoff circle that caught Cheevers going the wrong way. Hull put Team Canada ahead 2-1 at the 12:10 mark with a slapshot that Tretiak couldn't stop from about 20 feet out. Mike Walton and Gordie Howe set Hull up on the play.

Brad Selwood went off for tripping at 12:40 and less than two minutes later Valeri Kharlamov went between

the Canadian defense of Jean Claude Tremblay and Pat Stapleton and beat Cheevers with a high shot to tie the game 2-2. With only about two minutes to play in the period Paul Shmyr went off for boarding and the Russian power play went to work and produced another goal, this time from close in as Vladimir Petrov slid it into the open net as Cheevers was to the far side after making a good stop. With only four minutes left in the third period Bobby Hull flicked home a wrist shot from 15 feet out that Tretiak had no chance on and gave Team Canada a 3-3 tie.

Hull and Kharlamov were picked as the two stars of the game and were present-

BOBBY HULL

ed with silver medals. The series resumes Thursday at 6 p.m. from Toronto Maple Leaf Gardens over CBC television. The teams third game will be out of Winnipeg, Sat-

urday, Sept. 21 with CTV televising the game at 12 noon. The final game in Canada comes to Vancouver on Monday over CBC starting at 6 p.m.

St. Albert Kinsmen Minor Hockey

Final Registration

Would all those wishing to aid as coaches or assistant coaches in the Minor Hockey organization this season please contact Mr. Norm Tate at 459-1111 between 7 p.m. and 10 p.m. All names MUST be in by Saturday, September 21 to enable division heads to organize their teams.

We find that to date we are faced with only a partial registration of boys interested in playing hockey this season. In order to give all boys a chance to play, the closing date will be extended to September 28, 1974. Any boys NOT registered by this time will NOT be able to play! So please register now!

Registrations will be accepted at Town Hall during business hours.

Any firms wishing to sponsor a minor hockey team please call 459-7500.

MD Seniors enjoy marvelous trip to Fort McMurray

The Sturgeon Regional Recreation Department sponsors Senior Citizens trips on a regular basis during the summer months. A trip of this nature was taken in August, when 38 senior citizens from the MD of Sturgeon and district went to Fort McMurray. Here is an account of this trip, written by Mrs. Steve Lamoureux of Gibbons.

A softly falling rain failed to dampen the spirits of 38 senior citizens, filling the chartered bus to capacity and bound for Fort McMurray.

For some of us it was a real pleasure to renew friendships made on our week long trip of last year. Chatter, pretty loud at times laughter and song prevailed as we sped along, first along familiar land marks, changing to new scenery on Highway 46, later there was only dense forest, the trees growing so closely together, you wonder how a person can walk through.

A brief stop was made at Wandering River, to refuel the bus and fill also our coffee urn. This seems to be the last settlement before reaching Fort McMurray. A

wooded camp site near the river was the chosen stop for a picnic lunch. It felt good to stretch our legs and talk to our many friends and meeting new ones. Several pictures were taken.

Once more we were on our way arriving in Fort McMurray around eight o'clock. We were soon settled in the Riviera Motels, all except two ladies who had to go to another location. The couple at the desk were most cordial and politely answered our many queries about their town. Rooms were large with twin beds, bathrooms and telephone and colored TV. Both Edmonton channels came in well.

Fort McMurray is almost surrounded by hills, except on the north side where the famous Athabasca river flows. At the bridge site there is an island with a nice clump of spruce in the middle. It's a fast growing town and accommodation is hard to come by. An ad in the local paper reads:

\$500 REWARD

For information that will enable us to obtain a lot on which we can build a house in Fort McMurray.

Please reply with loca-

tion, lot number, block, plan and price to Box M.D. 95. Another item in the Courier referred to the drawing of lots for residential lots. They sell at \$140 per front foot.

Fort McMurray started out as a trading post established by the North West Company in 1788. Almost over 100 years later Moberly founded Fort McMurray in 1870 and named it after a partner in the North West Company situated at the junction of the Clearwater and Athabasca rivers. It was on a direct water route to the East.

when in the early 1920's, the Alberta and Great Waterways railroad was built. It became the end of steel, so freight was unloaded from the train or freight cars to the waiting barges bound for the far north. Fish also became an export. So with the furs, fish and freight the town was always a thriving one.

The spring of 1966 Highway 63 was opened as a gravelled highway. Since then most of it has been paved, the remaining 70 miles will hopefully be completed this year. Now with

the opening of the Great Canadian Oil Sands Company, 25 miles away, Fort McMurray has really grown and prospered without becoming a shack town. Wide clear streets, modern house individually planned, with neat lawns and flowers, modern schools and churches, shopping centres, make it an eye catching town. It was a real treat to drink their clear cold soft water, obtained from the Athabasca river and treated with fluoride and chlorine.

Thursday morning we enjoyed a bus tour of the town with an hour's stop at the shopping centre. Prices are no higher than in Edmonton. Meals also were pretty much the same price.

At two o'clock we left to visit the Tar Sands. Words fail me to describe the enormous transaction going on there. Four thousand acres have been leased containing enough oil to supply the plant for 30 years. The plant has a capacity of 45,000 barrels of synthetic crude oil daily. About 450 men are employed and they live in Fort McMurray. The machinery is so huge it's terrifying to look at. We had a guide a young University of Alberta

student who was most informative. An American with a Texas drawl gave us a list of large figures too high to memorize.

Friday we were up early to be ready to leave at 8 a.m. Breakfast was served from 6 to 11 a.m. and the staff is really kept busy. Our waitress told me she had to be up at 4:30 a.m. to start work at 5 a.m. Meals were good and well served. There had been fog most of the night and it was still foggy when we left, and later turning to rain and this lasted most of the trip back.

Arriving at Wandering River at 11 a.m. we stopped there for lunch. With three waitresses serving us we were on our way again shortly after 12 p.m. Tasty meals, quickly and attractively served, reasonably priced did credit to a no doubt very busy restaurant.

A stop at Athabasca would no doubt have been enjoyed by all but it was pouring rain so we travelled on arriving at Morinville at 1:30 p.m. two hours sooner than expected.

A hearty thank you to Miss Chamberland who devoted so much time, so many hours

organizing the wonderful trip, and her winning smile, keen interest in everyone's welfare and comfort, her patience in listening with a kindly interest to our many tales (some of them tall tales) of the past. Thank you Marjolaine.

To our good bus driver too, a big thank you. Quiet, efficient, courteous with always a ready answer to our many questions pertaining to our trip. We are looking forward to another trip next year. Where to???

One amusing incident has worried me no end. How did George Carleton manage to lose his name card in the ladies rest room? His blushing wife tried to explain but due to the rest of the girls giggling, the explanation was not too clear.

One of our dear grannies remarked that Wilfrid Oliver looked like President Ford. Wilfrid was upon cloud nine for the rest of the morning and didn't come down until we reached Wandering River. Of course it was foggy that morning and visibility was poor and there granny doesn't see too well.

Needs of the district raised with Ministers at Morinville meeting

About 70 persons attended a breakfast at Morinville Recreation Centre, September 10 to meet a delegation of Provincial cabinet ministers and MLA Ernie Jamison.

The ministers - the Hon. Don Getty, Minister of Federal and Intergovernmental Affairs, Hon. Merv Leitch, Attorney General and Provincial Secretary and the Hon. Dr. Allan Warrack, Minister of Lands and Forests, were slightly held up in Edmonton by bad weather and heavy traffic and the breakfast and meeting got underway at 8:30 a.m.

After the breakfast, the ministers listened to seven briefs from various community officials and there was also a short question period. During the hearing local high school students came in to listen to the proceedings.

Mayor Art Stapleton chaired the meeting. Each

brief was presented and then discussed before going on to the next item.

Chairman of Sturgeon School Division No. 24 Mr. J. McDonnell informed the cabinet delegation of the critical situation in that division: it was the only one in Alberta which was not operating any high school. High school students were scattered throughout six other jurisdictions. Mr. McDonnell pointed out that unless there was government help for the new high school slated for Namao the burden for the community would be too much to bear. Mr. McDonnell requested help for pupil transportation services and also mentioned that students in the district could soon be suffering from oversize classes as teachers left the profession for greener pastures or went to teach in other jurisdictions. Mr. Leitch said he understood

the situation and that Mr. Hyndman, Minister of Education would again be informed and would be contacting them shortly.

Chairman of the Central Sturgeon Agricultural Society Mr. A. Kivel said in his brief that he was anxious to receive help for a new community centre to provide the necessary recreational facilities for what would become a major growth centre.

Secretary of the Municipal District of Sturgeon No. 90 Alphonse Nobert expressed concern over the severe liquidation of land for agricultural use by sand gravel and top soil removal, so that the land had eventually nil value for taxation. The MD wanted revisions to the Highway Traffic Act and the Public Service Vehicles act so that speed limits and the weights of vehicles could be controlled. He expressed concern at the lack of industrial assessment in the area which could lead to nothing but an increase in the mill rate if people expected to have the range of services they had in the city.

Mr. Leitch promised help here though pointing out there were large problems particularly in regards to the relationship of the larger and smaller centres.

The secretary-treasurer of the Town of Morinville, Paul Brochu, asked for an extension of the North East water supply looping in with St. Albert so that water supplies were met up to 1981. Since Morinville was becoming a satellite town Mr. Brochu pointed out the problem of traffic congestion and asked the Government for help

in an improved road program. Mr. Leitch replied that there was a proposal to widen the road at St. Albert as well as improve the interconnections. He promised positive help in improving the water supply to Morinville.

In a brief from the Thibault School Division Superintendent Norman Tretlak painted a critical picture.

Schools in the Division were already at 100 per cent occupancy but by 1975 with an extra 240 single dwellings to be built, the schools would have to cope with an enrollment of 43 per cent up on present figures. Mr. Tretlak also mentioned there was growing dissatisfaction with the Notre Dame School which was now considered obsolete by modern educational standards.

Mr. Leitch promised that Education Minister Lou Hyndman could help out here and the matter would be raised with the Minister within two weeks.

Carl Royan, director of the Regional Recreation Board asked that the Government extend its bus charter boundaries to maintain services to senior citizens and boy scouts which rely heavily on the services in

the MD of Sturgeon. Mr. Royan pointed out that applications for the extension of the charter boundaries had been rejected and he criticized the Government for its negative approach. Mr. Leitch promised the problem would be looked into promptly.

Ray Gibeau, president of the Morinville Board of Trade said there was a need in Morinville for a Senior Citizens home, a Treasury Branch and light industry.

After the formal presentation of briefs Robert Lema of Villeneuve expressed his concern about sand and gravel operations on 20 sections of land near Villeneuve. He asked for the secure separ-

ation of heavy industry from residential areas adjacent the Sturgeon River. Mr. Warrack said that as of a new Act these things were covered and would be dealt with on a preventative basis.

A resident of Cardiff complained about the dump at Cardiff saying that it was a disgrace to the community and that it already posed a threat to water streams.

Mr. Leitch asked MLA Jamison to reply, and Ernie told the meeting that the government would be spending \$35,000 this year and approximately another \$150,000 on a dollar for dollar basis for establishing a major recreation park in the Cardiff area.

CARD OF THANKS

We would like to thank all our friends for their help, sympathy cards and flowers during our time of grief. A special thanks to the doctors at the Westlock Hospital.

Mr. and Mrs. Albert Dupuis,
and family.

Anne Kryskow will run for 4th term as trustee

Anne Kryskow of Morinville has been chairman of Thibault School Board for the past two years and will seek re-election to the board for her fourth term of office. She will seek support mainly upon the value of continuity in the future planning and development of the school district.

"Certainly we need new people with new ideas and new points of view," she said, "but there is also some value in previous experience and in maintaining continuity in the long range plan, which she feels are well developed.

Elected in 1965, Anne has served in many capacities for the board, as a member of the local bargaining committee and more recently the regional bargaining committee as personnel chairman and a Zone 2 director, and as a member of the Grievance committee. She has served on the Alberta Catholic School Trustee Association for four years and is in her second term on the North Central Alberta School Authorities Association.

Mrs. Kryskow has also been active in the community since becoming a resi-

dent of Morinville, serving on the local recreation board, the curling club, including two years as president, and presently she is the local representative on the regional recreation board. She has also worked on publicity and the International food booth for Frontier Daze, assisted with Guides and Brownies and served as a member of the parish council. Anne is also a representative on the Senior Citizens Home Steering Committee. In the past nine years she feels she has gained a lot of experience and also learned about the history of the Thibault School District. I fought desperately for the survival of the district, as she felt that the loss of the high school would have an effect on the growth of the town, Mrs. Kryskow said. It is now a fact that the town is on the verge of a boom, and we need to build an elementary school immediately and a new junior high school in two years. With the escalating cost in material, labour, and staff, the board has to budget wisely to give the best education that children deserve.

On behalf of the voters she pledges to do what she thinks best and to convince the rest of the board, because it has to be the Board's decision. She said you need teamwork to have success, to work in harmony with the town council, as both are serving the same electors, to keep the doors of communication open with the teachers and other staff and mainly with the parents and the children that the Board represents. It is also useful to work with the MLA to improve policy changes and "Red Tape" with Dept. of Education, and try to keep the local autonomy, which trustees are entrusted with.

Anne is a mother of six children, Randy in the Armed Services, David - professional hockey player with the Washington Capitals, Sherry at NAIT; Donna, grade 10, James, grade 7 and Leanne grade 3. She has business experience, as Ed and Anne own-

ed the Massey Ferguson Dealership for six years, and own and operates the Morinville Mobile Park. The Kryskows are concerned and have the community of Morinville at heart. Ed was nominated as the citizen of the year 1974.

She believes that Christianity must be taught in the school, in order that our Future Leaders will have the strength to carry on.

Children are our best Natural Resource, Mrs. Kryskow concluded.

ANNE KRYSKOW

MORINVILLE MEMOS

By Marilyn Pelletier

Mr. and Mrs. Wm. Roekwell and daughter, Dorleen recently attended the 60th wedding anniversary in Edmonton, of Mr. and Mrs. Steve Chuban formally of Cardiff. Among the guests present were the Chubans' daughter and family, Dr. and Mrs. Alf from Montreal and another daughter Mrs. Steffy Wolma of Sylvan Lake. Approximately 200 people attended the open house 60th anniversary.

We are sorry to hear that Mr. Bert Craig is in the St. Albert Hospital. We understand that he is under an operation. Get well soon.

Mr. Romeo Froment is also a patient in St. Albert Hospital.

Mr. and Mrs. Delvin Daney and family were the weekend guests of Mrs. Lavinia Walhund of Pibroch.

Mr. and Mrs. Marvin Thibault spent the weekend at the home of Mable Heberle of Halkirk.

Mr. and Mrs. Denis Chaffoux went to Prince Rupert

to visit Penny's sister and family, then on to Vancouver to visit her parents for 10 days.

Mrs. Mary Cole was a weekend guest at the home of her daughter and family Mr. and Mrs. Norm Chaffoux.

Mrs. Lillian Jones and son Reggie from Regina, Saskatchewan are now living with her daughter Mrs. Muriel West and family. Reggie is enrolled in Grade 6 Welcome to Morinville.

Mr. and Mrs. Gordon Johnson were in Calgary to attend the funeral of her father. Dearest sympathy extended to Sandra on the loss of her Dad.

Cubs are in full swing. But a lot of the boys have not registered. Come boys lets go.

Brownies started Sept. 24 1974. Girls can still register until Oct. 8. Then enrollment will be closed until January, 1975.

Mr. and Mrs. W. C. D. Clarke of Jasper, Alberta,

spent an enjoyable holiday with their son Daniel and family.

COMING EVENTS

United Church Bible study classes for students 11 - 14 years of age will commence Sept. 22, 1974, 9:45 a.m., with Mr. Don Brown as teacher.

Supervision is needed for Baby Fold for United Church Sunday morning services. Any parents interested in volunteering or further information contact Mrs. McClary at 256-3233.

Sunday School lessons will commence September 22, at 10:30 a.m. for children three years and up.

Notre Dame School Association kindergarten monthly meeting will be held on Sept. 24 at 8 p.m. in the Recreation Centre. Fees will be collected at that time.

There will be a meeting of the Mothers Local for Brownies and Guides on Oct. 9th at 7:30 p.m. at the Legion Hall. All mothers are welcome.

registration \$2., Knitting - three weeks, registration \$2. creative stitchery - four weeks, registration \$3., crochete - three weeks, registration \$2., sewing slacks (fitting and alterations) - eight weeks, registration - \$5.50; photography - registration \$5., cake decorating four weeks, registration \$3. Organized babysitting will be provided for all courses at a nominal fee, if all mothers take turns.

If you are interested in any of the courses or would like more information please contact - Mrs. Winnie Madison, 543-4713; Mrs. Lorraine Hostyn, 543-3598; or Mrs. Mary Richard, 543-4018.

Please watch for the 1974 Sturgeon Tabloid in the mail.

For all local news items and announcements to be entered in the Lamoureux News please contact Local Representative Mrs. Mary Richard at R.R. #3 Fort Saskatchewan 543-4018.

Land acquired for Villeneuve airport

The Ministry of Transport has acquired 1,415 acres from eight owners for the Edmonton satellite airport one and one-half miles west of Villeneuve. Cost of \$807,000, the value set by independent appraisers and no expropriation was involved. About 430 acres will be used for the airport proper and the remainder will be leased back to farmers and serve as a buffer.

It will be the third civil airport in the Edmonton area and will handle light aircraft, mainly training and recreational flying. This will relieve the congestion at Edmonton Industrial and allow the city-owned airport to concentrate on air bus and business traffic.

Construction will start following approval of the master plan and a tentative

opening date, for limited use, is fall of 1975. The airport should be fully operational by the fall of 1976.

Original cost estimate for land, runway, taxiways, aprons, control tower and service buildings as well as a commercial area was \$2 1/4 million. This was increased by \$500,000 due to increased land costs.

Final revised cost estimates are not yet available.

Lamoureux News

By Mrs. Mary Richard

Beginning the week of October 14, 1974 and running throughout the winter months the following courses will be offered in the Lamoureux Community Hall if at least 10 women are interested in each course.

A good time to treat for wild oats is when you have time. In the fall.

Fall-applied Avadex® BW granules lock into the soil. Give early preemergent wild oat control in wheat, barley, rapeseed and flax.

Applying your wild oat herbicide now can save time during your busy spring planting season. It also avoids possible wet weather delay in the spring.

Avadex® BW granular herbicide by Monsanto is easy to use. No water, no mixing. Avadex BW granules can even be used on stubble, trashy or cloddy soil to save time and labor. Just apply Avadex BW granules after October 1 and before soil freeze-up and incorporate within 48 hours. Avadex BW hibernates through the winter, then goes into action against wild oats early next spring.

Avadex BW granules can control wild oats before they can rob young wheat, barley, rapeseed and flax of moisture and nutrients. And Avadex BW controls the wild oats that can rob you of crop yield. Apply Avadex BW granules now — in the fall. And leave an untreated strip to check Avadex BW effectiveness next spring. Avadex BW... for wild oat control in your wheat, barley, rapeseed or flax. Always read and follow the Avadex BW label directions. Monsanto Canada Ltd., Montreal Quebec.

Trustee Leduc seeks re-election

I have been associated with the Morinville School District for the past thirty years, and am again seeking re-election to the School Board.

Through the past years, I strove for a good administration of our school system. With the hiring of a superintendent, the Board has taken a progressive move towards a better educational standard in our schools.

I have four children in school and continue to have great interest in education. Because of my concern for good education and everybody's welfare, I voluntarily

undertook to apply for the playground grant which was approved by the Government. This grant has enabled parents to demolish the payment they had to provide to keep their children in school, helped buy materials and pay the teacher a decent salary and above all has given little tots of all walks of life the opportunity to a better playschool education in Morinville.

What does the future hold for us? With a greater population in our town, we can look forward to a new elementary school and better secondary education facilities

YVONNE M. LEDUC

for our children. Many problems lie ahead, much work and planning has to be done. I am willing to devote my time and energy towards these important tasks.

Election is on October 16 and I solicit your support at the polls.

Jeet Khullar will run for Thibault board

JEET KHULLAR

- two of them in education. He has a very wide range of teaching experience from elementary to university levels. He has taught for over 20 years in three different countries.

"As a school trustee I can contribute something useful and constructive to our education system," said Jeet Khullar while commenting on his qualifications and experience.

Mr. Khullar was one of the 'founding members' of the

Morinville Home and School Association. He is the program chairman of this association this year. He is also a member of the Board of Directors of the Edmonton Region of the Alberta Home and School Association.

As a member of the Provincial Education Week Committee, Mr. Khullar is one of the two representatives of 23,000 teachers of Alberta. This committee is made up of representatives of Alberta Teachers' Association, Alberta School Trustees' Association, Alberta Home and Schools and the Department of Education.

Mr. Khullar has done extensive work in school-community relations and is the author of two handbooks on this subject.

"I stand for meaningful autonomy in decision making at the local level, a process in which the community takes part freely and openly," said Mr. Khullar. "Putting PUBLIC in our public school system is my goal."

Morinville HSA plans teacher night

Morinville Home and School Association is holding a Social Night on Friday, September 20 in the Recreation Centre. The festivities will start at 8 p.m.

This function has been planned to welcome all the teachers employed by the Thibault School District.

Mr. Ray Anelli, president

of the Association, said in a statement, "One of the aims of the Morinville Home and School Association is to promote better communications between the teachers and the community. We hope this Social Night will provide an opportunity for all Morinville and district citizens to come out and meet the teachers

at a social level. This social acquaintance will certainly lead to a better communication."

Refreshments, music and dancing are the highlights of the evening. Refreshments will be 'on the house' during the first hour of the evening. The admission is only \$1.50.

Thibault Board news

The school enrollment has increased to 689 students, an increase of 56 students from June 30, 1974.

Three additional teachers had to be added to the teaching staff: Mrs. Denise Houle, Mrs. Colleen Schayes, and Mr. George Van Horn.

The Board has signed a contract for an additional year's service with the Child Development Centre (Dr. Jane Sylvius).

Mayor Stapleton reviewed the growth of the Town with the Board and the long-range effect on School enrollment.

At the Cabinet-MLA breakfast Superintendent Mr. Norman Treitak presented a brief on behalf of the Board, stating the needs of a new elementary school.

MORINVILLE PHONE: 256-3120

Morinville Mayor wants industry

As the second phase of development of Morinville's new subdivision goes ahead, Mayor Art Stapleton says he is going to get more vociferous about reducing the ratepayers' burden in the town.

He said this week he would like to see the Department of the Environment end its

policy of no heavy industry within a 50 mile radius of Edmonton. He referred to the Minister for the Environment Bill Yurko had preferred another locality for the placement of the Redwater fertilizer plant.

With developers Forest Glenn (Dixie) Ltd., currently placing 146 more lots in the

town, the advantages of heavy industry to provide work opportunities for the growth in population seem obvious.

Mayor Stapleton also said the town's asphalt program for town roads was now about 75 per cent complete and could be finished within two weeks if the weather holds. The program began Sept. 10 last year.

Morinville Credit Union tops 3 million mark

The Caisse Populaire de Morinville Savings and Credit Union Ltd., reached just over the three million dollar mark in assets as at July 31, 1974.

Maurice Perras, the manager, reports that as at August 31, 1974 the assets reached a new high of almost 3 1/4 million.

This was an increase of \$180,000, for August, 1974 (one month) and an increase of \$1,140,000, since August 1973, (one year).

He feels that this is very

encouraging and it reflects the continuous support of the members for their own financial institution. There are now approximately 1,450 members belonging to the Morinville Credit Union.

Since the opening of the new modern building in November, 1972, the assets have more than tripled.

Besides the manager, Maurice Perras, the Credit Union employs four full time and one part time girl.

They are Gabrielle Morin, Irma Bulger, Nancy Van Brabant, Gloria DeKudder,

and Mary Anne Balsillie.

Dave Bokenfohr is the president, and J. L. Rousseau is the vice-president.

Directors and officers of the Credit Union are J. A. Sabourin, Clarence Steffes, Norm Meunier, Leon Schayes, Leo De Tonnencour, Vince Curtis, Bernard Krawchuk, Ralph Gaetz, and Henry Chalfoux.

Trustee Wojtkiw will run again

During the past three years Alice Wojtkiw has served as Board Trustee of the Thibault R.C.P. District. "Having five children in school at the time and a real concern for good sound education for all young people was the only criteria I had to let my name stand," she stated in a news release this week.

While on the Board, I always kept the betterment of the student in mind when decisions had to be made. During this past term I have attended meetings and participated on panel discussions with other interested School Boards, to help children with Learning Disabilities. Having sincere sympathy for these children, I have attended meetings with

concerned parents of our district and with the help of our administrators have contracted the services of the Dr. Jane Sylvius Development Centre to diagnose, prescribe and implement a sound development program.

During the past year, I have served as vice-chairman on our local board and am the representative for nine separate systems at Zone 2 level. I have attended meetings of the Sturgeon Further Education Council to help offer credit and non-credit courses for interested adults of our District. Trustee Seminars were attended by our Board members to become more aware of trustees duties and responsibilities.

Many changes have come

ALICE WOJTKIW

about during the past term, such as the hiring of a superintendent on a shared cost basis with four other Boards. With the projected growth of our town and a high enrollment at grades 8 and 9 level, we will be able to operate our high school more efficiently very soon.

If re-elected, I will work to the best of my ability, to serve the ratepayers and the students of the district.

Namoo community league offers many fall courses

By Norma Crozier

Namoo School and Community League are offering the following classes in the Namoo Community this fall.

1. Oil Painting - eight weeks, starts Sept. 23 - Mondays 7 - 9 p.m. Hub. Adults \$12, students \$7.

Namoo UCW at their September meeting planned their annual turkey supper which will be held in the Hub on October 26. Adults \$3, Children \$1.50.

Namoo 4H Beef Club news

By Jim Fewchuk

The Namoo 4H Beef Club had its banquet at Sunnyside Hall on September 7. We started off with the welcome by Will Mitchell and the 4H pledge by Cathy Car-

ruthers and Myrna Vaeulchik.

Introduction of members was by Kathy Berger, and introduction of parents by Tim Sweetnam, introduction of leaders by Margaret Eng-

ley, introduction of guests by Terry Vaeulchik, introduction of donors by Teresa Engley, introduction of executives by Darren Pearse and the club regime by Jim Fewchuk.

INVITATION TO TENDER

Sealed Tenders addressed to St. Emile Parish Council, Legal, Alberta, Box 90, Marked "TENDER," for the purchase of the thirteenth (13) lots situated south-east of the Village of Legal.

All tenders MUST be in on or before October 3rd.

LEGAL PARISH COUNCIL

Looks at parks

The Sturgeon Recreation Board Parks Committee is looking at possible development for 60 of the MD of Sturgeon's park reserves. Sturgeon Recreation Board Director Carl Royan said this week, "we are looking at possible developments; we'll be taking an inventory, seeing what we've got and what we want to do."

Under provincial government regulations, if anyone wishes to develop on one of the park sites, the developer has to give 10 per cent of the cost to the MD.

Mr. Royan said the parks Board wishes to lease, and land would be available to the farmer to graze cattle. The park was up for lease then they (the farmers) could lease, Mr. Royan said.

All of the reserves are from two to 16 acres and Mr. Royan said the recreation board committee would be touring the park reserves at the end of September. He asked anyone who knew of the reserves to get in touch with him.

The following are the awards won this year: Cathy Berger, trophy for Champion Calf and grooming; Wendy Bowman, trophy for top showman, tied for first place in judging competition, best kept records, best 4H member; Terry Vaeulchik, trophy for senior public speaking; Margaret Engley, tied for first place in a judging competition; Tim Sweetnam trophy for best rate of gain; Myrna Vaeulchik, best first year member. At the end Tim Bowman presented a plaque to each member. In closing we'd like to thank everyone who helped participate in this years 4H Beef Club.

Sturgeon Valley 4H

The Sturgeon Valley 4H Dairy Club held their annual banquet - August 29. Guest speaker, Lt. Governor Steinhilber gave a short talk. There was a presentation of awards to members.

Champion Calf - Alan Briggs; Judging - Marianne Mickelsen; Best Stall Sign - seniors - Alan Briggs; Juniors - Valerie Montpelier; Champion Yearling - Calvin Briggs; Best Grooming - senior: Betty Kushak; Junior: Ronald Hadke; Showmanship senior: Calvin Briggs; Junior: Ronald Hadke; Grand Champion - Bradley Quwak; Feed Records - Marianne Mickelsen; Public Speaking senior: David Quwak; Junior: Betty Kushak; Demonstrations - Chris Mickelsen and Roger Briggs; Best Heifer - Alan Briggs; Best 1st Year Member - Valerie Montpelier; Efficiency Award - Alan Briggs. Plaques for all members.

After all the awards some slides were shown by Alan Briggs. These slides are about 4H clubs in Alberta. The evening was enjoyed by all.

Report from Bon Accord

By Sadie Allen

The 4H Beef Club held their Achievement Day on Friday the 13th. Lucky club members and their guests enjoyed a lovely barbecued steak dinner with all the trimmings, a specialty of Chef Taras Ferbey, club leader. M.C. for the program following was Michael Uchacz. 4H club members reported on camps attended during the summer - Marsha Rigney on the 4H Conservation Camp at St. James Bible Camp at Sundre, Michael Uchacz on Club Week at Vermilion, David and Victor Uchacz on Junior Club Week at Wabamun, Mrs. Li-Hua Schick gave a rundown on the record books, awarding first standing to Marsha Rigney and second to Brian Lewis. Marsha won the Royal Bank Trophy, a silver pitcher, for best book, Brian the Bon Accord Industries Trophy for placing second. For showmanship, the first place trophy, donated by Mr. and Mrs. Harold Hulsing, Redwater Lockers, was won by Rick Kreway with the Village Superette Trophy donated by Keith Whitson and awarded to Bill Rigney for second place. The Shell Oil and Gas Trophy, donated by Mr. Russell Pawluk went to Marsha Rigney for Best in Judging, B.A. Sales and Service Trophy donated by Abram's for second place to Gary Bilecki. The Milligan Fertilizers Trophy was won by Victor Uchacz for first in Grooming, the second place trophy donated by Bon Accord Cafe and presented by Mrs. Marie

Weinzierl went to Rick Kreway. The Curtis Feeds Trophy for Best Gain went to Gary Bilecki, the Bon Accord Dadds Esso Service for second best to Rick Kreway. The Bon Accord Hotel Trophy donated by Don Grant for Reserve Champion Calf was won by Mike Uchacz with Gary Bilecki coping off both the UFA Gas and Oil Trophy donated by GIB Parafix for Grand Champion and the Bon Accord Community Centre Trophy for General Proficiency. Each club member was presented with a framed record of his/her club achievements. Gate signs made by Dan Uchacz were presented as appreciation gifts to Mrs. Schick, Mrs. Wendy Ferbey and Mr. Taras Ferbey. Reorganization of the 4H Beef Club will be held at the Bon Accord school on Tuesday, October 1 at 7:30 p.m. Anyone 10 and over is eligible to join. Bring a parent.

Good news for the bingo fans. Regular cash bingos will resume on Sunday, Sept. 29th at 7:30 in the Bon Accord Community Centre with two cards for \$1 and additional cards at 25 cents each. The jackpot now stands at \$100.00.

Advance tickets for the Lions' Turkey Bingo on Oct. 2 are available from any Lion member and will be on sale until Sept. 30. Advance ticket holders are eligible for the door prize. For information, call Bill Nestor, 298-3948.

The Bon Accord and District Agricultural Society are planning a final Market Day for October 14 with sales of shrubs, perennials, trees and what have you, as well as vegetables. There will be an unlimited supply of potatoes on hand. Several clubs will be holding home baking sales in conjunction with the Farmers' Market Day. The anyone wishing to dispose of surplus produce - you may sell yours through the Ag Society Market Day. Set your own price, look after your own sales. The Society charges 10 per cent of sales for use of the facilities.

The Ladies Community Club are holding their annual Turkey supper on Thanksgiving Day, October 14. The first Community Club meeting of the new season was held at the home of Mrs. Gail Sinclair with a best ever turnout. The meetings are held on the second Wednesday evening of each month, with the next one slated for October 9 at the home of Doreen Hewitt with Jean Sloan as hostess. Visitors and new members are welcome.

The sympathy of the district is extended to Mr. and Mrs. Don Grant and family in the loss of Don's mother, Mrs. Jean Grant.

Club members Michael Uchacz, Lori Pawluk, Diana Mulligan and Marsha Rigney representing 4H Beef, Clothing, Food and Light Horse Clubs attended the 4H Club Council exchange at Lethbridge for two days returning home via Drumheller and the Badlands. Marsha and Lori also attended the Northwest Regional Horse Show finals on August 24 at Leduc, placing sixth in total points out of 13.

Anyone Interested in the 4H Light Horse Club is asked to contact Marsha Rigney 298-3576.

Cub and Scout registration was held on Sept. 9 with 21 cubs and seven scouts signing up. Any boys wishing to register may do so until October 31. Bart Webster, assisted by Bill Reynolds and Grant Dadds has taken over the scouts. A Fall camp is scheduled for October 5 and 6. Cubmaster is John Engman, assisted by Andy Stishinski and Ken Fearnley. Anyone wishing to volunteer his/her services is welcome. Remember it's Rag and Bottle Drive - Sept. 28.

The Bon Accord and District Board of Trade met on Sept. 11. Club president, Ken Metoch and Keith Whitson represented the Village and presented a brief to members of the government at Legal. The next meeting will be held on September 25. All candidates running for Village council have been invited to attend and it is hoped that all voters will be there also. Belinda Draper and Brian Grant sharing a scholarship and Lori Pawluk, who went on a scholarship last year,

to meet them. Meeting time is 8 p.m. at the Bon Accord Community Centre.

Cadet Squadron #524 held its first parade on Sept. 10. Officer personnel are CO. Capt. Loblick, Training Officer Lt. Ken Schneider, Supply Officer, Lt. Les Moore, Administration, Lt. Glenn Lamoureux and Instructor Lt. Herb Bowditch. The cadets will be going to Camp Wright from Sept. 20 - 22 inclusive for a course in Venture Training. All cadets and parents are welcome to attend.

Registration for tap and jazz classes will be held at the Bon Accord Community Centre at 6:30 p.m. on Thursday, Sept. 26. Registration must be made by a parent, please.

Bon Accord students attended Drama school at Drumheller for two weeks this summer, Karen Krysko,

attending at her own expense this year. Kim Pawluk attended a United Nations Seminar at the Banff School of Fine Arts on a Social Studies scholarship from LaZerte.

Anyone having baseball or softball uniforms are asked

to return them - washed and ironed please, to the coaches as soon as possible.

Gun Club will resume activities on Sept. 26 at 7:30 p.m. Everyone welcome to join.

Locals from Legal

By Lucienne Montpetit

Despite the wet weather, the people didn't let that withhold them from coming to the hall to meet the Cabinet Ministers on Sept. 9. Walter Van de Walle did a tremendous job as chairman of the meeting.

The ministers presented plaques to the Mayors of Gibbons, Bon Accord and Legal. Jos Nault, the mayor from Legal presented the guests with souvenir mugs.

Speaking with a number of people following the meeting everyone seemed overwhelmed with their afternoon.

The organizers wish to thank everyone who braved

the rain and helping to make the afternoon the success that it was.

Mothers, if you want your daughter to join the Brownies or Guides attend the meeting on September 24 at the Ilee, Centre at 8 p.m. The leaders are Mrs. Lin L'Heureux and Mrs. Ed Garneau.

The Associate Medical Clinic have moved to the Chateau Sturgeon Hill further notice.

A warm welcome to our community to Mr. and Mrs. Leonard Boisvert and son

Leslie.

Special and hearty congratulations to Mr. and Mrs. Gordon Carlson upon the arrival of twin boys born on Sept. 4 at the Sturgeon General Hospital. Ronald and Donald both weighed in at 5 lbs, 14 1/2 oz. Paul, Sandra and Christina are truly proud of their brothers

Mr. and Mrs. Arthur Morin, Mr. and Mrs. St. Pierre, Mrs. Annie Lutz and Mrs. Georges Leduc travelled to Lac la Pêche to attend Mr. and Mrs. Fred Labby's 65th wedding anniversary. The celebration was held at the Lacalita Senior Citizens Home.

Legal elects student council

Elections were held for the new Legal Student's Council on September 6. Grades 9 to 12 voted and the results were as follows: Boy's sports rep: Bernie Fizer; Girl's sports rep: Laurette Kleser; Boy's social convener: Richard Van de Walle; Girl's social convener: Rachelle Nault; Photographer: Mariette Laplante; Reporter: Agnes Blanchette;

Grade 9 rep: Claudette Bilodeau; Grade 10 rep: Angie Auger; Grade 11 rep: Louis Pelletier; Grade 12 rep: Sharon Pelletier. Pat Montpetit was elected as our president last year, along with Marie St. Martin as our vice-president.

The students are looking forward to the events that will be planned for them and they wish to congratulate all those who won!

Horse Hill

By Peggy Wenzel

Horse Hill Community League meeting, the first of the year, will be held Thursday, Sept. 26 at 8 p.m. in the kitchen. You are reminded that memberships are now due. Plan now to attend and help plan fall activities. You may also register for fall programs -

Children - Creative Movement. Pottery - Limit 15 - first come, first served. Any children's program must have full parent participation by taking their turn at supervision.

Babysitting Course (Alberta Safety Council) - boys and girls 12 and over. Adults - Bargello - afternoons; Basketry - evenings; Ceramics - daytime, car pool to Edmonton; Volleyball. Also choral singing will be offered if enough interest is shown.

These courses will begin the week of October 7. Children's crafts, creative movement for children, jewellery making, basketry, primitive weaving, copper enamelling, rug making, creative stitching, print making. For further information phone 795-5783.

There will be a communication and teaching technique session in the Recreation Centre in Murville on Saturday, October 5th. It is an all day session. All instructors, prospective instructors or interested people are invited. No registration fee. Anyone interested in teaching crafts in our area may attend a craft skill session at the Overlander Lodge. Registration fee - \$5. Oct 18 - 19 - 20 are the dates.

Children's crafts, creative movement for children, jewellery making, basketry, primitive weaving, copper enamelling, rug making, creative stitching, print making. For further information phone 795-5783.

Watch your mail box for the Further Education Tabloid giving you information about fall programs in all the areas of Sturgeon.

from Gibbons

The president of the Gibbons Branch, Royal Canadian Legion, extends thanks to the many people who came to the pancake breakfast on Sept. 4 Gibbons Rec 74. We were able to turn over \$87.45 to the arena fund. Every dollar helps to keep our young ones happy. Special thanks

to those that assisted us as we were very short of help.

Thanks also to everyone that took a ticket on the quilt that was raffled off. We were able to turn over \$70 to the arena fund. The quilt was won by Mr. Jake Wums of Gibbons.

Removal of Four Room School - Legal

The Board of Trustees of the Legal School District #1738 request submission of proposals for the removal of the Legal School Building from the Legal School grounds. This four room building is on a cement basement. Condition of removal is that the concrete basement walls are broken below ground level and basement filled and levelled.

Tenders close - SEPTEMBER 30, 1974. Submit offers in writing to - Mrs. Yvonne Reginald, Secretary-Treasurer, Legal School District #1738 Legal, Alberta. Phone: 598-2413.

Coronado meeting

A meeting of the Coronado Community Association is being held in the Coronado Hall on Sunday, September 22 at 8 p.m. Progress is being made to put a water system into the Hall. Plans for the recreational program will be discussed.

Memberships to the Coronado Community will be accepted at the meeting, and coffee will be served.

Your Shell Agent's guide to a better fall and winter

Your Shell Agent has the products you need to make your farm run smoother this winter. And he'll save you time, trouble and gas by delivering these products to you. Plan now and let him help you...

Look after your vehicles

in sub-zero temperatures with premium quality lubricants like Rotella T* Multigrade Oil. You can use it (all year long) for light and heavy duty use in gasoline and most diesel engines. Your Shell Agent can also supply you with a complete range of quality Automotive-Tractor Accessories.

Better winter tip: You'll be surprised at your fuel savings when you keep your engines well tuned. And use lubricants recommended for cold weather operation.

Get better performance and mileage

with Shell's wide range of premium fuels specially formulated to get the best performance out of your engines.

Better winter tip: The colder an engine, the more fuel it needs to warm-up. Keep your engines in a sheltered area and cover radiators for quicker starts.

Improve snowmobile and chainsaw performance

with Shell Super Snowmobile Oil. It's formulated with a "Quick Mixing" component giving you easy fuel/oil mixing even in sub-zero temperatures.

Better winter tip: When you stop for a rest on your snowmobile, turn off your engine! An idling engine wastes fuel and fouls up plugs.

Warm up your home

with Shell heating oil. It's efficient, economical and comfortable.

Better winter tip: It pays to double check all doors, walls and windows in your house and barns. Proper weather stripping and insulation will bring you substantial savings on your heating bills.

For a smoother-running farm this winter, put your Shell Agent to work now. Call:

Poultryman editor blasts the publicity on rotten eggs

Editor Fred Baeson, writing in Canada Poultryman is a mite uptight about the barrage of publicity devoted to "rotten eggs."

It has been a Field Day, he writes, for Mrs. Plumtree in her efforts to justify a place for the Prices and Review board of which she is chairman.

And a Cabinet Minister has been arguing with the Hon. Eugene Whelan, Minister of Agriculture for supporting the primary producer

in their fight with increasing costs. Andre Ouellet, Minister of Consumer Affairs, has suddenly become an expert on poultry management and the cost of producing eggs.

Nine million eggs were plowed under as unfit to eat. That, admittedly, should not have happened, but it amounts to less than one half an egg per person in Canada. One half an egg could, we are told, have been sold to the public at a cheaper price

The latest assertion of two hundred million more eggs rotting needs to be taken with a grain of salt considering its source, from a firm that traditionally has made a lot of money buying cheap eggs during periods of overproduction while the producers were losing money, before the days of provincial boards.

Where it will all end is anybody's guess. It would seem it's more important than the increased cost of

oil and gasoline of greater impact upon the economy of the country than the spectacular rise in the cost of houses, and the shortage of housing, the fantastic demands of organized labour, the increase in the cost of automobiles.

Meanwhile the egg producer, whether he be in Newfoundland, Quebec, Ontario or the west, is busy feeding and caring for his birds daily, and trying to keep abreast of his increasing

bills.

Whisky has gone up 50¢ a 25 oz. bottle in the past few weeks. Not a murmur from Mrs. Plumtree or Mr. Ouellet. Construction unions in British Columbia were out on strike or locked-out for several months this year, because they refused an offer of \$2.90 an hour, not a day, raise in pay. Did they mind that other thousands were off work as a result of their decision? Is their pay increase pushing up the

cost of living or is it being paid for by Santa Claus?

Returning to Nature's Most Perfect Food, the egg, if the average family buys two dozen a week at an increased cost of 10¢ per dozen, it amounts to the horrendous annual increase of \$10.40... per family, not per person. And yet, the battlerey would seem to be, "To war with the blighters, it's a ripoff!"

Interior design - buymanship course

By Pat Doerksen, District Home Economist

*Want to learn more about colors, color schemes?

*In the market for buying a carpet or hard floor covering?

*Need some new ideas for furniture arranging?

*Wanting to use some wall coverings - but not sure of what you want to get?

These are just some of the questions that will be dealt with in a six week session in an Interior Design Course. WHEN? Sept. 24, October 1, 8, 15, 22 and 29, 1974. TIME? 7:30 p.m. - 9:45 p.m.

WHERE? PAUL KANE HIGH SCHOOL, ART ROOM, ST. ALBERT.

MON. OCT. 14 - Farmers Market Day and Thanksgiving Supper, Bon Accord.
WED. OCT. 2 - Lions turkey bingo, Bon Accord.

Mayor of Morinville Art Stapleton (standing centre) chairs the meeting held in Morinville last week where local residents met a cabinet delegation of three provincial government ministers and presented briefs. Also in the picture from left are: Hon. Don Getty, Minister of Federal and Intergovernmental Affairs, Ernie Jamison, St. Albert MLA, Hon. Mervin Leitch, Attorney General and Provincial Secretary and Hon. Dr. Allan Warack, Minister of Lands and Forests.

Francis Champagne dies at 52

By Lucienne Montpetit

Father Roland Bissonnette celebrated the requiem mass for Francis Simon Champagne on September 9 in St. Emile's Church.

Francis was born in Morinville in 1922 and he came to Legal with his parents at the age of six.

The deceased was farming the paternal land where he had always resided till he passed away on September 5 at 52 years of age.

He leaves to mourn his loss three brothers and three sisters. Alphonse, Morinville; Laurent and Paul, Legal; Mrs. Roland (Georgette) Prefontaine, Legal; Mrs. John (Virginia) Zolkivski and Mrs. Clifford (Laurette) Small, Edmonton.

The family wishes to thank everyone for their many acts of kindness, expressions of sympathy and mass offerings. The services of the pallbearers, Roland Prefontaine, Cliff Small, Johnny Zolkivski, Roger, Richard and Real Champagne, were also much appreciated.

An opportunity to strengthen family relationships

By Pat Doerksen, District Home Economist.

Have you taken on the job of raising an infant or children so he will become a productive, co-operative, and contributing citizen? Are you feeling frustrated with this most difficult and demanding job? Yet how many parents are effectively trained for it? What "job training program" is available? Where can one acquire knowledge and skills to be effective at this job? LEARNING TO PARENT is such a course to give you some knowledge to improve your skills in the parenting job. WHY SUCH A COURSE?

Parents express dissatisfaction with the way they deal with conflict, speak to their children. Others want to ensure continuance of the good things happening between them and their youngsters. There is a good deal said and written about the awesome task of guiding children and people feel overwhelmed with deciding what is best or who to believe.

What You Can Expect to Gain from the Sessions:

*An opportunity to share experiences, frustrations, joys and to feel better about your "role" as a parent.

*A chance to explore alternative ways of handling everyday concerns parents have in dealing with children.

*A look at how we are as parents and how we get to be that way.

*A greater appreciation of children as people with whom we share their very significant first years.

How Will These Issues be Dealt With?

Participants will learn from each other through discussions and sharing of ideas. Concepts of child learning, ideas about behaviour, frameworks for understanding communication and relationships will be presented by the instructors. There will be opportunity to practice skills in the groups and get encouragement and feedback from others.

WHO IS IT FOR?

FOR YOU... husbands, wives, teen-agers... anyone interested in relationships they create with others... be it children, brothers, sisters, friends, and/or neighbours...

WHEN WILL A COURSE BE HELD?

PLACE: St. Albert Clubhouse

DATES: October 10 - 7:30 p.m. - 10 p.m. (an evening)

October 11 - 9:00 a.m. - 4 p.m. (a full day)

AND October 17 - 7:30 p.m. - 10 p.m. (an evening)

October 18 - 9:00 a.m. - 4 p.m. (a full day)

CLASS LIMIT: 18 Participants.

Please register before October 4, 1974, by completing and returning the following:

ST. ALBERT LEARNING TO PARENT COURSE
